In connection with all calculations required to be made pursuant to this Agreement with respect to Scheduled Distributions on any Collateral Loans, or any payments on any other assets included in the Collateral, with respect to the sale of and reinvestment in Collateral Loans, and with respect to the income that can be earned on Scheduled Distributions on such Collateral Loans and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.3 shall be applied. The provisions of this Section 1.3 shall be applicable to any determination or calculation that is covered by this Section 1.3, whether or not reference is specifically made to Section 1.3, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) Scheduled interest due on Collateral Loans on which payments are subject to foreign withholding taxes, will be the minimum net amount to be received after giving effect to the maximum permitted withholding and to any "gross-up" payments required to be made by the related Obligor pursuant to such loan's Related Contracts.

(b) Notwithstanding any other provision of this Agreement to the contrary, all monetary calculations under this Agreement shall be in Dollars.

(c) The determination of the percentage of Total Capitalization that would be represented by a specified type of Collateral Loans will be calculated by dividing the Aggregate Maximum Principal Balance of such specified type of Collateral Loans by Total Capitalization. For purposes of this Section 1.3(c), a "type" of Collateral Loan shall correspond to each clause of the definition of "Concentration Limitations".

(d) Any portion of a Collateral Loan or other loan or security owned of record by the Borrower that has been assigned by the Borrower to a third party and released from the Lien of this Agreement in accordance with the terms hereof shall no longer constitute Collateral or a Collateral Loan hereunder.

(e) For purposes of calculating the Coverage Tests, except as otherwise specified in the Coverage Tests, such calculations will not include scheduled interest and principal payments on Defaulted Loans unless or until such payments are actually made.

(f) For each Due Period and as of any date of determination, the Scheduled Distribution on any Collateral Loans (other than Defaulted Loans, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero) shall be the sum of (i) the total amount of payments and collections to be received during such Due Period in respect of such Collateral Loans (including the proceeds of the sale of such Collateral Loans received and, in the case of sales which have not yet settled, to be received during such Due Period) and not reinvested in additional Collateral Loans or retained in the Collection Account for subsequent reinvestment pursuant to Section 8.2 that, if received as scheduled, will be available in the Collection Account at the end of such Due Period and (ii) any such amounts received in prior Due Periods that were not disbursed on a previous Quarterly Payment Date or retained in the Collection Account for subsequent reinvestment pursuant to Section 8.2.

(g) Each Scheduled Distribution receivable with respect to a Collateral Loan shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Investment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Loans or other amounts payable pursuant to this Agreement.

(h) References in the Priority of Payments to calculations made on a “pro forma basis” shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments, that precede (in priority of payment) or include the clause in which such calculation is made.

(i) For purposes of calculating all Concentration Limitations, in the numerator of any component of the Concentration Limitations, Defaulted Loans will be treated as having a Maximum Principal Balance equal to the Recovery Value.

(j) Except as otherwise provided herein, Defaulted Loans will not be included in the calculation of the Collateral Quality Test.

(k) For purposes of calculating the Coverage Tests, the Collateral Quality Test and the Concentration Limitations, capitalized or deferred interest (and any other interest that is not paid in cash) on Collateral Loans will be excluded other than any capitalized or deferred interest that is acquired using Principal Proceeds or the proceeds of any Borrowing.

(l) References in this Agreement to the Borrower’s “purchase” or “acquisition” of a Collateral Loan include references to the Borrower’s making or origination of such Collateral Loan. Portions of the same Collateral Loan acquired or originated by the Borrower on different dates (whether through purchase, receipt by contribution or the making or origination thereof, but excluding subsequent draws under Revolving Collateral Loans or Delayed Funding Loans) will, for purposes of determining the purchase price of such Collateral Loan, be treated as separate purchases on separate dates (and not a weighted average purchase price for any particular Collateral Loan). Each Collateral Loan that is originated by the Borrower shall be deemed to have a “purchase price” of par.

(m) For purposes of calculating the Weighted Average Spread or Weighted Average Coupon, (i) a Collateral Loan that is a Step-Down Loan will be treated as having the lowest per annum interest rate or spread over the applicable index or benchmark rate over the remaining maturity of such Collateral Loan and (ii) a Collateral Loan that is a Step-Up Loan will be treated as having the then current per annum interest rate or spread over the applicable index or benchmark rate.

(n) For purposes of calculating compliance with any tests under this Agreement (including without limitation the Coverage Tests, the Collateral Quality Test, the Senior Advance Rate Test and the Concentration Limitations), the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Loan or Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred.

(o) For purposes of calculating the Principal Collateralization Amount and the Investment Criteria Adjusted Balance, Discount Loans shall be allocated so as to result in the lowest possible calculation of the Principal Collateralization Amount and the Investment Criteria Adjusted Balance.

(p) For the avoidance of doubt, neither a failure to satisfy the Eligibility Criteria upon the origination, acquisition of or receipt of a contribution of a debt obligation nor a breach of Section 5.12 shall occur solely as a result of any property of an Obligor being subject to a Lien imposed by law, such as materialmen's, warehousemen's, mechanics', carriers', workmen's and repairmen's Liens and other similar Liens, arising by operation of law in the ordinary course of business for sums that are not overdue or are being contested in good faith.

(b) Any reference herein to notice or other delivery to be provided to S&P shall no longer be applicable if S&P is no longer rating any Loans (whether or not so specified herein).

(a) each Revolving Lender severally agrees to make loans to the Borrower (each, a Revolving Loan) from time to time on any Business Day during the period from the Closing Date through the end of the Commitment Period, in each case in an aggregate principal amount at any one time outstanding up to but not exceeding (i) such Lender's Revolving Commitment and (ii) as to all Lenders, the Total Revolving Commitment at such time; and

(b) each Term Lender severally agrees to make loans to the Borrower (each, a "Term Loan") on the Initial Borrowing Date or, in the case of the Reset Amendment Date Lenders that are Term Lenders, on the Reset Amendment Closing Date, in each case in an aggregate principal amount at any one time outstanding up to but not exceeding (i) such Term Lender's Term Commitment and (ii) as to all Term Lenders, the Total Term Commitment at such time.

(c) Within such limits and subject to the other terms and conditions of this Agreement, the Borrower may borrow (and re-borrow) Revolving Loans under this Section 2.1 and prepay Revolving Loans under Section 2.7. Term Loans, once repaid, may not be reborrowed.

(d) Each Revolving Lender severally agrees, on the last day of the Reinvestment Period (except if the Reinvestment Period terminates as a result of clause (b) or (d) of the definition thereof) to make a Revolving Loan (and the Borrower hereby directs that such Revolving Loan be made) in an amount equal to its Percentage Share of the Unfunded Amount (less the amount on deposit in the Future Funding Reserve Account) as of the date such Revolving Loan is made (such Revolving Loan, the "Future Funding Reserve Loan"), but only to the extent that its Percentage Share does not exceed its Undrawn Commitment. The Borrower shall deposit the proceeds of such Loans in the Future Funding Reserve Account such that the amounts on deposit in the Future Funding Reserve Account equal the Unfunded Amount.

Section 2.2. Making of the Loans.

(a) If the Borrower desires to request a Borrowing it shall give the Agents a written notice in substantially the form set forth on Exhibit B hereto (each, a "Notice of Borrowing"), which Notice of Borrowing shall promptly be sent by the Administrative Agent to each Revolving Lender no later than 2:00 p.m. (New York City time) at least one Business Day prior to the day of the requested Borrowing.

(b) Each Notice of Borrowing shall be dated the date the request for the related Borrowing is being made, signed by an Authorized Officer of the Borrower and otherwise be appropriately completed. The proposed Borrowing Date specified in each Notice of Borrowing shall be (i) in the case of the Term Loans, the Initial Borrowing Date or the Reset Amendment Closing Date and (ii) in the case of the Revolving Loans, a Business Day falling during the Commitment Period.

(c) The amount of the Borrowing requested in each Notice of Borrowing (the "Requested Amount") shall be equal to (i) in the case of a Borrowing of Revolving Loans, at least \$250,000 and integral multiples of \$1,000 in excess thereof (or, if less, the aggregate Undrawn Commitments) and (ii) in the case of a Borrowing of Term Loans, the Total Term Commitment.

(d) Each Notice of Borrowing shall be revocable by the Borrower only if notice of such revocation is given to the Revolving Lenders and the Administrative Agent (with a copy to the Collateral Agent) no later than 2:00 p.m. (New York City time) on the date that is one Business Day before the date of the related Borrowing. Notices of Borrowing shall otherwise be irrevocable.

(e) Each Lender shall, not later than 1:00 p.m. (New York City time) on each Borrowing Date in respect of the Revolving Loan to be funded by it hereunder, make its Percentage Share of the applicable Requested Amount available to the Borrower by disbursing such funds in Dollars to an account specified by the Borrower in the Notice of Borrowing; provided, in the event that the only Lender is Versailles Assets LLC, the Lender shall make the applicable funds available directly to the Borrower in accordance with such timeframe unless otherwise directed by the Administrative Agent.

(f) The failure of any Lender to fund any Loan on a Borrowing Date hereunder shall not relieve any other Lender of any obligation hereunder to fund any Loan on such date. Notwithstanding the foregoing and any other provision to the contrary contained herein, if any Revolving Lender shall have failed to fund its Percentage Share of a previously requested Revolving Loan on the applicable date of Borrowing and the Borrower provides a new Notice of Borrowing as a result of such failure to fund, then, in each such case, if necessary to make such Borrowing, the Borrower shall be permitted a single additional Revolving Loan without regard to the minimum funding limit set forth herein.

Section 2.3. Evidence of Indebtedness: Notes

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to it and resulting from the Loans made by such Lender to the Borrower, from time to time, including the amounts of principal and interest thereon and paid to it, from time to time hereunder. Notwithstanding any provision herein to the contrary, the parties hereto intend that the Loans made hereunder shall constitute a "loan" and not a "security" for purposes of Section 8-102(15) of the UCC.

(b) The Administrative Agent shall maintain, in accordance with its usual practices, accounts in which it will record (i) the amount of each Loan made hereunder to the Borrower, (ii) the amount of any principal due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any principal sum paid by the Borrower hereunder and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to clauses (a) and (b) of this Section 2.3 shall, absent manifest error, be *prima facie* evidence of the existence and amounts of the Loans therein recorded; provided that the failure of the Administrative Agent or any Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement. In the event of a conflict between the entries maintained by a Lender and those maintained by the Administrative Agent, the records of the Administrative Agent shall control.

(d) Any Lender may request that its Loans to the Borrower be evidenced by a Note. In such event, the Borrower shall promptly prepare, execute and deliver to such Lender a Note (or Notes) payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns). Thereafter, to the extent reflected in the Register, the Loans of such Lender

evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 12.6) be represented by one or more Notes payable to such Lender (or registered assigns pursuant to Section 12.6), except to the extent that such Lender (or registered assignee) subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in clauses (a) and (b) of this Section 2.3. At the time of any payment or prepayment in full of the Loans evidenced by any Note, such Note shall be surrendered to the Administrative Agent promptly (but no more than five Business Days) following such payment or prepayment in full. Any such Note shall be cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note. If requested by any Lender in writing, the Borrower shall obtain a CUSIP or other loan identification number requested by such Lender that is customary for the nature of the Loans made hereunder.

Section 2.4. Maturity of Loans. Each Loan shall mature, and the principal amount thereof shall be due and payable, on the Stated Maturity.

Section 2.5. Interest Rates.

(a) The Loans shall be SOFR Loans, except as otherwise provided in this Agreement, including without limitation, in clause (i) of the definition of “Applicable Rate” and Section 11.2.

(b) The Loans shall bear interest on the unpaid principal amount thereof, for each day such Loan is outstanding during each Interest Period applicable thereto, at a rate per annum equal to the Applicable Rate with respect thereto. Such interest shall be payable for each Interest Period on the Quarterly Payment Date immediately following the end of such Interest Period and on the Stated Maturity and as otherwise set forth herein.

(c) In the event that, and for so long as, an Event of Default shall have occurred and be continuing, the outstanding principal amount of the Loans, and, to the extent permitted by applicable law, overdue interest in respect of all Loans, shall bear interest for each day at the annual rate of the sum of (i) the Applicable Rate for such Loan for such day *plus* (ii) two percent (the “Post-Default Rate” for such Loan).

(d) The Administrative Agent shall determine each interest rate applicable to the Loans hereunder for any Interest Period or portion thereof pursuant to this Section 2.5 and the related definitions; provided that the relevant CP Lender, its Program Manager or its funding agent, as applicable, shall determine and announce to the Administrative Agent the Cost of Funds Rate for each Revolving Loan that is made by a CP Lender and to which the Cost of Funds Rate applies, such determination to be conclusive absent manifest error. The Administrative Agent shall give prompt notice to the Borrower and the participating Lenders of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower, the Collateral Agent or any Lender, deliver to the Borrower, the Collateral Agent or such Lender, as the case may be, a statement showing the quotations and demonstrating the calculations used by the Administrative Agent or the relevant CP Lender, its Program Manager or its funding agent, as applicable, in determining any interest rate pursuant to this Section 2.5.

(e) The Administrative Agent agrees to use its best efforts to obtain quotations of the Benchmark as contemplated by this Agreement.

(f) The Administrative Agent shall provide notice to the Borrower, the Collateral Agent, the Collateral Administrator and the Lenders of any and all Benchmark rate sets on the date that any such rate set is determined. Each CP Lender, its Program Manager or its funding agent, as applicable, shall notify the Administrative Agent of the Cost of Funds Rate for each Revolving Loan that is made by such CP Lender and to which the Cost of Funds Rate applies on or prior to the related Calculation Date in connection with the provision of its invoice or otherwise upon written request. The Cost of Funds Rate for each applicable CP Lender shall be calculated, for each day during the period between the date of such notice and the last day of each Interest Period (the "Estimate Period"), on the basis of such CP Lender's good faith estimate of its funding costs for such Estimate Period, and the amount of interest payable to such CP Lender in respect of the following Interest Period shall be increased by the amount, if any, by which interest at the actual Cost of Funds Rate for such CP Lender for such Estimate Period exceeds the amount estimated or shall be decreased by the amount, if any, by which the amount of interest at the estimated Cost of Funds Rate for such Estimate Period exceeds the amount of interest accrued at the actual Cost of Funds Rate. However, on the Stated Maturity, any such increase or decrease that would be due pursuant to the preceding sentence shall instead be settled and paid on the Stated Maturity. Each CP Lender, its Program Manager or its funding agent, as applicable, shall supply a reconciliation of such amounts as provided in this Section 2.5(f) for each such period to the Administrative Agent and, absent manifest error, such reconciliation shall be conclusive and binding on all parties hereto. The interest rate payable to a CP Lender shall reflect proportionately the different sources of funding used during each Interest Period by such CP Lender to finance its outstanding Loans.

Section 2.6. Commitment Fees.

(a) Commitment Fees Payable. The Borrower shall, subject to Section 11.5(b)(ii)(y), pay to the Revolving Lenders pursuant to Section 6.4 or 9.1, as applicable, ratably in proportion to their respective Percentage Shares, a commitment fee (a "Commitment Fee") accruing for each day during each Interest Period:

(ii) from and including December 18, 2021 to to but excluding the Tenth Amendment Date, at a per annum rate equal to 0.625% of the undrawn amount of the Total Revolving Commitment as of the end of such day; and

(iii) (ii) thereafter for each remaining day in the Commitment Period, at a per annum rate equal to ~~0.625~~0.50 % of the undrawn amount of the Total Revolving Commitment as of the end of such day;

provided that if the Revolving Commitment of any Revolving Lender is reduced as the result of a Bail-In Action, the Commitment Fee payable to such Revolving Lender shall be calculated based on its Revolving Commitment as so reduced.

(a) The Commitment Fees shall be payable quarterly in arrears on the Quarterly Payment Date immediately following each Interest Period for which such fees accrue as provided in the Priority of Payments and shall be calculated by the Administrative Agent pursuant to Section 2.10.

(b) ~~(b)~~ Fees Non-Refundable. All fees set forth in this Section 2.6 shall be deemed to have been earned on the date such payment is due in accordance with the provisions of this Agreement and shall be non-refundable. The obligation of the Borrower to pay such fees in accordance with the provisions of this Agreement shall be binding upon the Borrower and shall inure to the benefit of the Revolving Lenders regardless of whether any Revolving Loans are actually made.

Section 2.7. Reduction of Commitments; Conversion; Prepayments

(a) Reduction and Termination

(i) The Total Revolving Commitment (and the Revolving Commitment of each Lender) shall be automatically reduced to zero at 5:00 p.m. (New York City time) on the last day of the Commitment Period. Upon the funding of the Term Loans on the Initial Borrowing Date and the Reset Amendment Closing Date as set forth in Section 2.1, as applicable, the amounts of the Total Term Commitment shall be reduced to zero.

(ii) The Borrower shall have the right at any time to reduce the Revolving Commitments (including a reduction in full that results in a termination of the Revolving Commitments) of the Lenders on a *pro rata* basis (except as set forth in clause (g) below) by an amount specified by the Borrower (such amount, the "Commitment Reduction Amount") upon not less than two Business Days' prior notice to the Revolving Lenders, S&P and the Administrative Agent, which notice shall specify the effective date of such reduction, and on such effective date the Total Revolving Commitment shall be reduced by the Commitment Reduction Amount; provided that the Borrower shall only have the right to terminate the Revolving Commitments with respect to the applicable Lender if all amounts in respect of the Revolving Loans and all other Obligations with respect thereto due under this Agreement and the other Loan Documents are satisfied in full, including without limitation all principal, interest, Commitment Fees and Administrative Expenses. Such notice of reduction (1) shall be effective only upon receipt by the Administrative Agent, (2) shall permanently reduce (and, in the case of a reduction in full, shall terminate) the Revolving Commitments of each Revolving Lender on the date specified in such notice and (3) shall specify the Commitment Reduction Amount; provided that no such reduction shall reduce the Total Revolving Commitment below the aggregate principal amount of the Revolving Loans at such time.

(iii) The Total Revolving Commitment (and the Revolving Commitment of each Lender), once terminated or reduced may not be reinstated.

(iv) The Borrower will not reduce the Total Revolving Commitment if, after giving effect to such reduction or termination, such reduction would result in a Commitment Shortfall.

(b) Conversion of Revolving Loans to Term Loans.

(i) At any time during the Commitment Period, the Administrative Agent may request (with notice to the Borrower, the Services Provider and each Revolving Lender) that any portion (such portion, the "Requested Conversion Portion") of the outstanding Revolving Loans be converted to a term loan equal to such Requested Conversion Portion; *provided* that any such request shall be made to each Revolving Lender on *apro rata* basis.

(ii) If, on a proposed Conversion Date, the Borrower and a Revolving Lender has given its prior written consent to conversion of the Requested Conversion Portion into a Term Loan as of a such Conversion Date, then, on such Conversion Date, (A) the outstanding principal amount of the applicable Revolving Lender's Revolving Loans shall be reduced by the Requested Conversion Portion and the amount of such reduction shall be converted into a Term Loan equal to such Requested Conversion Portion and (B) the Revolving Commitments of such Lender shall be permanently reduced by such Requested Conversion Portion; *provided* that, in each case, all conversions of the Requested Conversion Portion shall be applied to the outstanding Revolving Loans of each consenting Revolving Lender on a *pro rata* basis.

(iii) For all purposes hereunder, the Revolving Loans converted on each Conversion Date shall, as of such date, constitute and be referred to and treated for all purposes as a Term Loan hereunder. Any converting Lender and the Borrower shall cooperate to evidence the repayment and cancellation of any related Note evidencing such Lender's Revolving Loans (or portion thereof) being converted into a Term Loan, as well as the issuance of any related Note evidencing the Term Loans pursuant to Section 2.3(d).

(iv) The Borrower will not convert any Revolving Loans to Term Loans if, after giving effect to such conversion, a Commitment Shortfall would exist.

(c) Prepayments on Quarterly Payment Dates. On each Quarterly Payment Date, the Loans will be prepaid to the extent required under the Priority of Payments. To the extent designated by the Borrower in writing to the Administrative Agent, each such prepayment of Revolving Loans shall result in a permanent reduction (or termination, as applicable) of the Revolving Commitments.

(d) Other Prepayments. Subject to the requirements that after giving effect to the proposed prepayment and/or redemption (x) there will be sufficient funds in the Collection Account to make all payments described in clauses (A) through (C) of Section 9.1(a)(i) on the next Quarterly Payment Date and (y) there is no Commitment Shortfall, on any Business Day:

(i) the Borrower may (A) upon at least two Business Days' notice (which notice shall contain a certificate of an Authorized Officer of the Borrower certifying as to the satisfaction of the requirements set forth in this Section 2.7(d) with respect to such proposed prepayment) to the Agents and S&P, prepay all or any portion of the Loans then outstanding, without penalty or premium, by paying to the Collateral Agent for the account of the Lenders the principal amount to be prepaid (from amounts on deposit in the Collection Account constituting Principal Proceeds) together with accrued interest (including any accrued and unpaid interest amounts) and Commitment Fees, if applicable, thereon to the date of prepayment (from amounts on deposit in the Collection Account constituting Interest Proceeds) and any amount due pursuant to Section 2.9 (from amounts on deposit in the Collection Account constituting Principal Proceeds); provided that any prepayments of Loans made pursuant to this clause (A) shall (x) result in the reduction and, as applicable, termination, of the Revolving Commitments on a dollar-for-dollar basis and (y) be allocated between the Revolving Loans and the Term Loans based on, with respect to principal, the Principal Allocation Formula, and with respect to interest and any other payments on a *pro rata* basis; and (B) on any Business Day during the Reinvestment Period, if each Coverage Test is satisfied, or if not satisfied, maintained or improved, after giving effect thereto, upon at least two Business Days' notice to the Agents, prepay all or any portion of the Revolving Loans then outstanding by paying the principal amount to be prepaid on a *pro rata* basis (from amounts on deposit in the Collection Account constituting Principal Proceeds) together with accrued interest and Commitment Fees, if applicable, thereon to the date of prepayment (from amounts on deposit in the Collection Account constituting Interest Proceeds) and any amounts due pursuant to Section 2.9 (from amounts on deposit in the Collection Account constituting Principal Proceeds); provided that any prepayments of the Revolving Loans made pursuant to this clause (B) shall not result in any reduction in the Revolving Commitments at such time and such prepaid amounts under the Revolving Loans may be re-borrowed in accordance with the terms of this Agreement;

(ii) Each notice of such prepayment and/or redemption shall be effective upon receipt and shall be dated the date such notice is being given, signed by an Authorized Officer of the Borrower. Each prepayment and/or redemption of any Loans by the Borrower pursuant to this Section 2.7(d) shall in each case be in a principal amount of at least \$250,000 or a whole multiple of \$1,000 in excess thereof or, if less, the entire outstanding principal amount of such Loans. If a notice of such prepayment and/or redemption is given by the Borrower, the Borrower shall make such prepayment and/or redemption and the payment amount specified in such notice shall be due and payable on the date specified therein. Each prepayment and redemption pursuant to this Section 2.7(d) shall be subject to Section 2.9. All prepayments and redemptions of Loans pursuant to this Section 2.7(d) shall be applied in accordance with the procedures set forth in Section 2.7(g) and shall not be subject to the Priority of Payments.

(e) Upon receipt of a notice of reduction or prepayment and/or redemption from the Borrower pursuant to Section 2.7(a)(ii) or 2.7(d), the Administrative Agent shall promptly notify each Lender, of the contents thereof and of such Lender's ratable share (as applicable) of such reduction, prepayment or redemption, as applicable, and such notice shall thereafter be revocable by the Borrower no later than 2:00 p.m. (New York City time) one Business Day before the date set forth by the Borrower in the applicable notice of reduction or prepayment as the reduction or prepayment and/or redemption date. Upon the expiration of such time period, the notice of reduction or prepayment and/or redemption shall be irrevocable;

provided that any such notice may provide that repayment and/or redemption shall be subject to and contingent on the consummation of alternative financing.

(f) The Term Loans, once prepaid, cannot be reborrowed.

(g) Except as provided in clause (d)(i)(B) above and in the proviso to this clause (g) below, all reductions of the Revolving Commitments shall be applied to the Revolving Commitments of each Revolving Lender, ratably in accordance with their relevant applicable Percentage Shares, and all prepayments of the Loans shall be applied to the outstanding principal amount of the Revolving Loans and Term Loans of each applicable Lender on a *pro rata* basis; provided that, (i) with the consent of each Revolving Lender, reductions of the Revolving Commitments need not be applied ratably, (ii) with the consent of each Lender, the prepayments of the Loans need not be applied on a *pro rata* basis and (iii) if any Lender (other than any Initial Lender) does not consent to a proposed amendment, waiver or other modification of this Agreement or any other Loan Documents within ten (10) Business Days after the date when such Lender receives a draft of the proposed amendment, waiver or other modification of this Agreement or any other Loan Document, that pursuant to Section 12.5 requires such Lender's consent pursuant to the terms hereof and to which proposed amendment, waiver or other modification all other Lenders (including the Initial Lender) have consented, the Borrower shall be permitted to permanently reduce in full (but not in part) the Revolving Commitments of such Lender and prepay in full (but not in part) the outstanding Loans of such Lender.

(h) The Borrower may effect a prepayment of all or any portion of the Loans then outstanding pursuant to Section 2.7(d) from the proceeds of the sale of Collateral Loans in connection with a Permitted Securitization. The Borrower may effect a Permitted Distribution from the proceeds of the sale of Collateral Loans in connection with a Permitted Securitization if the Borrower has first effected a prepayment of a portion of the Loans then outstanding from such proceeds pursuant to Section 2.7(d) in an amount sufficient to satisfy the requirements of sub-clause (x) of clause (b) of the definition of Permitted Distribution.

Section 2.8. General Provisions as to Payments.

(a) The failure of any Lender to make any Loan to be made by it on the date specified therefor shall not relieve any other Lender of its obligation to make its Loan on such date, neither Agent shall be responsible for the failure of any Lender to make any Loan, and no Lender shall be responsible for the failure of any other Lender to make a Loan to be made by such other Lender.

(b) Except as otherwise provided in Section 2.7(d), all payments by the Borrower pursuant to this Agreement or any of the Loan Documents in respect of principal of, or interest on or other amounts owing in respect of, the Loans shall be made in Dollars pursuant to the Priority of Payments. Whenever any payment of principal of, or interest on, the Loans or any other amount hereunder shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day unless such Business Day falls in another calendar month, in which case the date for payment thereof shall be the immediately preceding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

Section 2.9. Funding Losses. If the Borrower (1) makes any payment of principal with respect to any Loan on any day other than on a Quarterly Payment Date, (2) fails to borrow any Loans after notice thereof has been given to any Lender in accordance with Section 2.2 and not revoked as permitted in this Agreement (other than as a result of a default by any Lender) or (3) fails to prepay any Loans after notice thereof has been given to any Lender in accordance with Section 2.7 and not revoked as permitted in this Agreement, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurodollar Rate Loan, such loss, cost or expense (I) shall include (a) in the case of any payment of principal with respect to any Loan on any day other than on a Quarterly Payment Date, the amount, if any, by which (i) the reasonable and documented losses, costs and expenses (including those incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the Loan being repaid or by reason of a CP Lender's inability to retire the source of the Borrowing being prepaid simultaneously with the prepayment, but excluding in any event the loss of anticipated profits) sustained by such Lender exceed (ii) the income, if any, received by such Lender from such Lender's investment of the proceeds of such prepayment or (b) in the case of any failure to borrow, the amount, if any, by which (i) any losses (excluding loss of anticipated profits), costs or expenses incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the Loan to be made by such Lender as part of the Borrowing requested in such Notice of Borrowing when such Loan, as a result of such failure, is not made on such date exceed (ii) the income, if any, received by such Lender from such Lender's investment of funds acquired by such Lender to fund the Loan to be made as part of such Borrowing and (II) shall constitute Increased Costs payable by the Borrower on the next Quarterly Payment Date pursuant to the Priority of Payments.

Subject to Section 5.27, the Borrower has not at any time since its formation commingled, and will not commingle, its assets with those of the Services Provider or any other Person. The Borrower has at all times since its formation accurately maintained, in all material respects, and will continue to accurately maintain in all material respects, its own bank accounts and separate books of account.

The Borrower has at all times since its formation paid, and will continue to pay, its own liabilities from its own separate assets.

The Borrower has at all times since its formation identified itself, and will continue to identify itself, in all dealings with the public, under its own name and as a separate and distinct entity. The Borrower has not at any time since its formation identified itself, and will not identify itself, as being a division or a part of any other entity (other than for U.S. federal and state tax and consolidated accounting purposes).

(d) The Borrower will comply at all times with the provisions of its Constituent Documents relating to separateness, bankruptcy remoteness and any similar provisions.

Section 5.19. Amendments, Modifications and Waivers to Collateral Loans.

(a) ~~In~~ Subject to clause (c) below, in the performance of its obligations hereunder, the Borrower may enter into any amendment or waiver of or supplement to any Related Contract; provided that (1) the prior written consent of the Majority Lenders to any such amendment, waiver or supplement shall be required if (i) an Event of Default has occurred and is continuing or would result from such amendment, waiver or supplement, (ii) such amendment, waiver or supplement, individually or together with all other such amendments, waivers and/or supplements, would result in a Material Adverse Effect ~~or~~; (iii) such amendment, waiver or supplement would cause the related Collateral Loan, after giving effect to such amendment, waiver or supplement, not to meet the definition of "Collateral Loan" or (iv) such amendment, waiver or supplement constitutes a Specified Change; provided that (A) in the case of clauses (ii) ~~and~~; (iii) and (iv) above, if the Borrower notifies the Administrative Agent of the proposed Specified Change and the Administrative Agent (at the direction of the Majority Lenders) does not object within 15 Business Days after written notice thereof is provided to the Administrative Agent, the proposed Specified Change will be deemed to have been consented to by the Administrative Agent (at the direction of the Majority Lenders) and (B) in the case of clause (iii) ~~and~~ (iv) above, during the Reinvestment Period such prior written consent shall not be required if (x) the relevant Collateral Loan after giving effect to the Specified Change would be eligible to be originated or acquired by the Borrower (without regard to the Concentration Limitations) in accordance with the terms of this Agreement and (y) no Default shall have occurred and be continuing; and (2) the Borrower may not enter into any such amendment, waiver or supplement that would result in the Minimum Weighted Average Spread Test not being satisfied (or if not satisfied at such time, being worsened) after giving effect to such amendment, waiver or supplement.

(b) Any Collateral Loan that, as a result of any amendment, waiver or supplement thereto, ceases to qualify as a Collateral Loan, will thereafter be deemed to be a Defaulted Loan for so long as it remains unqualified to be a Collateral Loan by the terms of this Agreement.

~~(c) In the event that the Borrower enters into any amendment or waiver of or supplement to a Collateral Loan that is not consented to by the Majority Lenders and such amendment, waiver or supplement results in the failure of the Maximum Weighted Average Life Test (but would otherwise qualify as a Collateral Loan), such Collateral Loan will thereafter be treated as a Defaulted Loan hereunder until such time as the Maximum Weighted Average Life Test is satisfied (provided that if, at the time of such satisfaction of the Maximum Weighted Average Life Test, such Collateral Loan would otherwise be considered a Defaulted Loan in accordance with the terms of this Agreement (including clause (b) above), such Collateral Loan will continue to be treated as a Defaulted Loan hereunder until such Collateral Loan is no longer considered a Defaulted Loan in accordance with the terms of this Agreement (including clause (b) above)).~~

(c) With respect to any amendment or waiver of or supplement to a Collateral Loan that requires a consent by the Majority Lenders pursuant to clause (a) above which is not obtained, if the Borrower enters into such amendment, waiver or supplement, and (i) no Event of Default has occurred and is continuing, then such Collateral Loan will thereafter be treated as a Defaulted Loan hereunder or (ii) an Event of Default has occurred and is continuing (but prior to the occurrence of an Enforcement Event), then the Borrower shall, prior to the effective date of such amendment, waiver or supplement, sell such Collateral Loan for an amount (including any contemporaneous contribution to the Borrower by the Parent) not less than the Principal Balance of such Collateral Loan (and, prior to the effective date of such amendment, waiver or supplement, either (x) the settlement date for the sold Collateral Loan shall occur or (y) the Borrower shall receive a contribution from the Parent such that the Borrower has received cash payment in an amount not less than the Principal Balance of such Collateral Loan, and in the case of clause (y), the applicable Collateral Loan may be distributed to the Parent at any time thereafter with prior notice to the Administrative Agent).

Section 5.20. Hedging.

(a) The Borrower may, at any time and from time to time, enter into any Interest Hedge Agreements (subject in each case to the prior written consent of the Majority Lenders and satisfaction of the Rating Condition unless the cost of such Interest Hedge Agreement is paid in full at the time it is executed). The Borrower will not amend or replace any Interest Hedge Agreement unless the Rating Condition shall have been satisfied in connection with such amendment or replacement and the Majority Lenders have provided their prior written consent thereto. The Borrower (or the Services Provider on behalf of the Borrower) shall promptly provide written notice of entry into, and the amendment or replacement of, any Interest Hedge Agreement to the Agents and the Lenders. Notwithstanding anything to the contrary contained herein, the Borrower (or the Services Provider on behalf of the Borrower) shall not enter into any Interest Hedge Agreement (A) unless it obtains written advice of counsel that (1) the written terms of the derivative directly relate to the Collateral Loans and (2) such derivative reduces the interest rate and/or foreign exchange risks related to the Collateral Loans and the Loans and (B) that would cause the Borrower to be considered a “commodity pool” as defined in Section 1a(10) of the Commodity Exchange Act unless (i) the Services Provider, and no other party, including but not limited to the Collateral Agent, the Custodian and the Administrative Agent, is registered as a “commodity pool operator” as defined in Section 1(a)(11) of the Commodity Exchange Act and “commodity trading advisor” as defined in Section 1(a)(12) of the Commodity Exchange Act with the CFTC or (ii) with respect to the Borrower as the commodity pool, the Services Provider would be eligible for an exemption from registration as a commodity pool operator and commodity trading advisor and all conditions for obtaining the exemption have been satisfied. The Services Provider agrees that for so long as the Borrower is a commodity pool, the Services Provider will take all actions necessary to ensure ongoing compliance with, as the case may be, either (x) the applicable exemption from registration as a commodity pool operator and/or a commodity trading advisor with respect to the Borrower or (y) the applicable registration requirements as a commodity pool operator and/or a commodity trading advisor with respect to the Borrower, and will in each case take any other actions required as a commodity pool operator and/or a commodity trading advisor with respect to the Borrower.

(b) Each Interest Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 12.15. Each Interest Hedge Counterparty shall be required to satisfy, at the time that any Interest Hedge Agreement to which it is a party is entered into, the then-current S&P criteria for hedge counterparties with respect to any Interest Hedge Agreements shall be subject to the Priority of Payments specified in Section 9.1(a) and Section 6.4. Each Interest Hedge Agreement shall contain an acknowledgement by the Interest Hedge Counterparty that the obligations of the Borrower to the Interest Hedge Counterparty under the relevant Interest Hedge Agreement shall be payable in accordance with the Priority of Payments specified in Section 9.1(a) and Section 6.4 and the Borrower shall use its commercially reasonable efforts to provide that it may not be terminated due to the occurrence of an Event of Default until liquidation of the Collateral has commenced.

Section 5.21. Title Covenants. The Borrower covenants that at no time shall it:

- (a) create, permit or suffer to be created any Lien or security interest in the Collateral other than Permitted Liens; or
- (b) except as otherwise expressly permitted herein sell, transfer, assign, deliver or otherwise dispose of any Collateral or any interest therein.

The Borrower further covenants and agrees to defend the Collateral against the claims and demands of all other parties to the extent necessary to preserve the first-priority security interest of the Collateral Agent in the Collateral (subject to Permitted Liens).

Section 5.22. Further Assurances.

(a) The Borrower shall at its sole expense file, record, make, execute and deliver all such notices, instruments, statements and other documents, and take such acts, as the Collateral Agent (acting at the direction of the Administrative Agent) may reasonably request from time to time to register in the name of the Collateral Agent or its nominee, and to perfect, preserve or otherwise protect the security interest of the Collateral Agent, for the benefit of the Secured Parties in, the Collateral or any part thereof, or to give effect to the rights, powers and remedies of the Collateral Agent hereunder, including but not limited to execution and delivery of financing statements. The Borrower shall be obligated to perform its obligations under this Agreement notwithstanding the ability of the Collateral Agent to take such actions pursuant to the provisions of Section 5.24.

(b) Not earlier than six months and not later than the March 31 prior to the fifth anniversary of the date of filing of the UCC-1 financing statement referred to in Section 8.7, unless the Obligations have been paid in full, the Borrower shall furnish to the Collateral Agent an opinion of counsel to the effect that, in the opinion of such counsel, as of the date of such opinion, the lien and security interest created by this Agreement with respect to the Collateral remains a valid and perfected first priority lien in favor of the Collateral Agent for the benefit of the Secured Parties, which opinion may contain usual and customary assumptions, limitations and exceptions.

Section 5.23. Costs of Transfer Taxes and Expenses.

(a) The Borrower shall pay or cause to be paid all transfer Taxes and other costs incurred in connection with all transfers of Collateral. For the avoidance of doubt, any amounts paid pursuant to this Section 5.23(a) shall not be indemnifiable pursuant to Section 11.4.

(b) Without duplication of any other provision of this Agreement, the Borrower agrees to pay the Collateral Agent the reasonable and documented out-of-pocket costs and expenses, including but not limited to reasonable and documented attorneys' fees and other charges, incurred by the Collateral Agent in connection with making collections on any Collateral.

Section 5.24. Collateral Agent May Perform.

(a) If the Borrower fails to perform any agreement contained herein to be performed by it, the Collateral Agent may, upon the written instructions of the Administrative Agent or the Majority Lenders, itself file, record, make, execute and deliver all such notices, instruments, statements and other documents, and take such acts, as the Majority Lenders may determine to be necessary or desirable from time to time to perfect, preserve or otherwise protect the security interest of the Collateral Agent, for the benefit of itself and the Secured Parties and otherwise perform, or cause performance of, any other such actions as the Majority Lenders shall determine is necessary or desirable, and the reasonable fees and out-of-pocket expenses of the Collateral Agent and Lenders incurred in connection therewith shall be payable by the Borrower and shall be part of the Obligations.

(b) The powers conferred on the Collateral Agent hereunder are solely to protect its interest (on behalf of the Secured Parties) in the Collateral and shall not impose any duty on it to exercise any such powers. Except for reasonable care of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral or responsibility for (i) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not the Collateral Agent has or is deemed to have knowledge of such matters, or (ii) taking any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral.

Section 5.25. Notice of Name Change. The Borrower shall give the Agents and S&P not less than 30 days' notice of any change of its name and not less than 30 days' notice of any change of its principal place of business and will take all steps necessary to preserve the first priority perfected security interest of the Collateral Agent in the Collateral. The Borrower shall not change its type of organization, jurisdiction of organization or other legal structure without the prior written consent of the Administrative Agent.

Section 5.26. Delivery of Related Contracts. The Borrower (or the Services Provider on behalf of the Borrower) shall deliver copies of all Related Contracts in its possession to the Document Custodian within five Business Days of the Borrower's acquisition or origination of the related Collateral Loan.

Section 5.27. Delivery of Proceeds. In the event that the Borrower receives any payments in respect of or other proceeds of Collateral Loans or other Collateral or any capital contribution, the Borrower shall pay such payments or other proceeds to the Collateral Agent promptly and, in no event, later than two Business Days after the Borrower's receipt thereof.

Section 5.28. Performance of Obligations. The Borrower shall timely and fully comply with and perform in all material respects its obligations under the Collateral Loans and other Collateral in accordance with the terms thereof.

Section 5.29. Limitation on Dividends. The Borrower will not declare or make any direct or indirect distribution, dividend or other payment to any person on account of any Equity Interests in, or ownership of any similar interests or securities of the Borrower, except for Permitted Distributions and Permitted Parent Distributions.

Section 5.30. Renewal of Credit Estimates. For each Collateral Loan with a credit estimate provided by a Rating Agency, the Borrower shall submit such Required S&P Credit Estimate Information as is required by such Rating Agency to renew such credit estimate within the 12 month period following receipt of the most recent credit estimate provided by such Rating Agency for such Collateral Loan.

Section 5.31. Annual Rating Review. On or before the anniversary date of the Closing Date in each calendar year, or the last Business Day immediately preceding such date if such date is not a Business Day, the Borrower shall pay for the ongoing monitoring of the rating of the Loans by S&P. The Borrower shall promptly notify the Agents, the Services Provider and the Lenders in writing if at any time the rating of the Loans has been, or to the knowledge of a Senior Authorized Officer will be, changed or withdrawn, or the rating outlook on the Loans has been, or to the knowledge of a Senior Authorized Officer will be, changed.

Section 5.32. Amendment to Loan Documents. The Borrower shall not amend any of the Loan Documents except pursuant to the applicable terms thereof and Section 12.5 of this Agreement.

Section 5.33. Transactions With Affiliates. Except as may be otherwise required or permitted by the Sale and Contribution Agreement, the Borrower shall not sell, lease or otherwise transfer any property or assets to, or purchase, lease or otherwise acquire any property or assets from, or otherwise engage in any other transactions with, any of its Affiliates unless (i) the terms and conditions of any such transaction are no less favorable to the Borrower than the terms it would obtain in a comparable, timely transaction with a non-Affiliate, (ii) such transaction is effected in accordance with all Applicable Law, (iii) such transaction is conducted in an arm's length transaction in the ordinary course of business and (iv) in the case of the sale of any Collateral Loan, the sale price is not less than the Market Value with respect to such Collateral Loan (provided that Market Value shall not be determined pursuant to clause (d) or (e) of the definition thereof). The Borrower shall ensure that all purchases of Collateral Loans from any Affiliate of the Borrower will be pursuant to and in accordance with the Sale and Contribution Agreement. This Section 5.33 shall not require the Seller or any Affiliate of the Borrower to purchase from the Borrower or sell or otherwise transfer to the Borrower any property or assets except as provided by the Sale and Contribution Agreement.

Section 5.34. Reports by Independent Accountants

(a) On or after the Closing Date, the Borrower (or the Services Provider on behalf of the Borrower) shall select one or more nationally recognized firms of independent certified public accountants for purposes of performing agreed-upon procedures required by this Agreement, which may be the firm of independent certified public accountants that performs accounting services for the Borrower or the Services Provider. The Borrower may remove any firm of independent certified public accountants at any time. Upon any resignation by such firm or removal of such firm by the Borrower, the Borrower (or the Services Provider on behalf of the Borrower) shall promptly appoint a successor thereto that shall also be a nationally recognized firm of independent certified public accountants, which may be a firm of independent certified public accountants that performs accounting services for the Borrower or the Services Provider. If the Borrower shall fail to appoint a successor to a firm of independent certified public accountants which has resigned or has been removed within 30 days after such resignation or removal (as applicable), the Borrower shall promptly notify the Agents and the Services Provider of such failure in writing. If the Borrower shall not have appointed a successor within ten days thereafter, the Services Provider shall appoint a successor firm of independent certified public accountants of nationally recognized reputation. The fees of such firm of independent certified public accountants and its successor shall be payable by the Borrower as Administrative Expenses in accordance with the Priority of Payments and the terms of this Agreement. In the event such firm requires the Collateral Agent to agree (whether in writing or otherwise) to the procedures performed by such firm, the Borrower hereby directs the Collateral Agent to so agree and directs the Collateral Agent to execute a specified user agreement, access letter or agreement of similar import requested by such accountants, which may include among other things, (i) acknowledgement that the Borrower has agreed that the procedures to be performed by such accountants are sufficient for the Borrower's purposes, (ii) releases by the Collateral Agent (on behalf of itself and the Lenders and Administrative Agent) of claims against the firm and acknowledgement of other limitations of liability in favor of the firm and (iii) restrictions or prohibitions on the disclosure of information or documents provided to it by such firm (including to the Lenders and Administrative Agent). It is understood and agreed that the Collateral Agent will deliver such letters of agreement and similar documents in conclusive reliance on the foregoing direction of the Borrower. The Collateral Agent shall not have any responsibility to the Borrower or any Secured Party hereunder to make any inquiry or investigation as to, and shall have no obligation, liability or responsibility in respect of, the terms of any engagement of any such firm, or the validity or correctness of such procedures or content of such letter (including without limitation with respect to the sufficiency thereof for any purpose), any report or instruction (or other information or documents) prepared or delivered by any such accountants pursuant to any such engagement. In no event shall the Collateral Agent be required to execute any agreement in respect of the accountants that it reasonably determines adversely affects it. For the avoidance of doubt, any costs, fees or expenses incurred by the Collateral Agent in connection with this Section 5.34(a) shall be payable by the Borrower as Administrative Expenses in accordance with the Priority of Payments and the terms of this Agreement.

(b) On or before the date that is 120 days following the end of each fiscal year of the Borrower, or the last Business Day immediately preceding such date if such date is not a Business Day, commencing in 2018, the Borrower shall cause to be delivered to the Collateral Agent and Administrative Agent (who shall provide such report, upon request, to a Lender) an

agreed-upon procedures report from a firm of independent certified public accountants appointed pursuant to clause (a) above for each Payment Date Report occurring in ~~May~~March and ~~November~~September of the prior calendar year (i) indicating that the calculations within those Payment Date Reports have been recalculated and compared to the information provided by the Borrower in accordance with the applicable provisions of this Agreement and (ii) listing the Aggregate Principal Balance of the Collateral Loans securing the Loans as of the immediately preceding Measurement Dates; provided that in the event of a conflict between such firm of independent certified public accountants and the Borrower with respect to any matter in this Section 5.34, the determination by such firm of independent public accountants shall be conclusive; provided further that, if there is any inconsistency between the calculations of the Borrower and the calculations of the firm of independent certified public accountants, the Borrower shall promptly notify the Agents and the Lenders and describe such inconsistency in reasonable detail. Notwithstanding anything to the contrary herein, if the Custodian, Administrative Agent, the Collateral Administrator or Collateral Agent fail within 75 days following the end of each fiscal year of the Borrower to execute any documentation required by the independent certified public accountants selected by the Borrower prior to the delivery of any report contemplated by this Section 5.34(b), then the Borrower shall have no obligation to furnish any report covering such fiscal year pursuant to this Section 5.34(b).

Section 5.35. Tax Matters as to the Borrower.

(a) The Borrower shall (and each Lender hereby agrees to) treat the Loans as debt for U.S. federal income tax purposes and will take no contrary position unless otherwise required by an applicable taxing authority.

(b) The Borrower shall at all times ensure that it is treated, for U.S. federal income tax purposes, either as (i) an entity disregarded as separate from a sole owner, or (ii) a partnership (other than a publicly traded partnership taxable as a corporation).

(c) Each of the parties hereto shall provide to the Borrower, upon reasonable request, all reasonably available information relating only to such party itself that is in the possession of such party, in its respective capacity hereunder, that is specifically requested by the Borrower and that is necessary or advisable in order for the Borrower to achieve Tax Account Reporting Rules Compliance.

(d) The Borrower will deliver or cause to be delivered an IRS Form W-8IMY (with all required attachments) of the Borrower (if the Borrower is treated as a partnership for U.S. federal income tax purposes) or an IRS Form W-9 or the applicable Form W-8, in each case, from its sole owner (if the Borrower is treated as an entity disregarded as separate from its sole owner for U.S. federal income tax purposes), or successor applicable form to each issuer, counterparty, paying agent, as necessary to permit the Borrower to receive payments without U.S. withholding tax.

(e) In connection with an audit conducted by the IRS under the Partnership Audit Rules, the Borrower agrees to use commercially reasonable efforts (taking into account the ability of the Borrower to effectively contest the audit and the overall Taxes imposed on Borrower or its direct or indirect owners), which may include following procedures under Section 6225 of the Code to reduce any "imputed underpayment" (as defined in Section 6225(b) of the Code) or applying the alternative method provided by Section 6226 of the Code, to reduce liabilities of the Borrower for Taxes (except to the extent any such Taxes are subject to reimbursement by the Borrower's direct or indirect owners).

~~(f)~~ Subject to satisfaction of the Eligibility Criteria, no more than 50% of the debt obligations or interests therein (in each case as determined for U.S. federal income tax purposes) held by the Borrower may at any time consist of real estate mortgages (or interests therein) as determined for purposes of Section 7701(i) of the Code, unless the Borrower receives an opinion of nationally recognized tax counsel experienced in such matters to the effect that the ownership of such debt obligations will not cause the Borrower to be treated as a taxable mortgage pool for U.S. federal income tax purposes.

Section 5.36. Retention Letter. The Borrower shall (i) procure the Retention Provider not to amend, supplement, modify, repudiate or waive any provision, of any Retention Letter without the prior written consent of the Administrative Agent and each Affected Lender and (ii) procure that the Retention Provider has not changed and will not change the manner in which it retains the Retained Interest (as defined in the Retention Letter), except to the extent permitted by the EU Risk Retention Requirements and with the prior written consent of the Administrative Agent and each Affected Lender.

Section 5.37. Pool Concentrations. During the Reinvestment Period the Borrower shall use commercially reasonable efforts to ensure that the pool of Collateral contains Collateral Loans of no less than 20 different Obligors.

Section 5.38. Beneficial Ownership Certification. The Borrower agrees to notify the Administrative Agent of any change in the information provided in the Beneficial Ownership Certification that would result in a change to the list of beneficial owners identified in parts (c) or (d) of such certification.

(iv) failure of the representation or warranty in Section 4.4 to be correct in all material respects when made with respect to the Borrower's obligations under one or more Collateral Loans or other items of Collateral and there has occurred or there would reasonably be expected to occur a material adverse effect on the rights, interests or remedies of the Agents or the Lenders under any of the Loan Documents; or

If an Event of Default shall have occurred and be continuing, the Majority Lenders or the Administrative Agent (acting at the direction of the Majority Lenders) may exercise (or direct the Collateral Agent in the exercise of) the rights, privileges and remedies set forth in this Section 6.2.

(a) Upon the occurrence and during the continuance of any Event of Default, each of the following actions shall require the prior written approval by the Majority Lenders, whether or not approved by the Borrower's board of directors or other persons performing similar functions: (i) issuance of any commitment to make, and the acquisition or origination (other than pursuant to commitments then in effect) of, any Collateral Loan or other loan or security constituting any Collateral or any interest therein, (ii) any amendment, modification, or waiver of, or any consent to departure from, any term or provision of any Collateral Loan or other loan or security constituting any Collateral, (iii) any release of any collateral for, or guarantor of or other credit support provider for, any Collateral Loan or other loan or security constituting any Collateral, except upon payment in full of such Collateral Loan or other loan or security or any

subordination or limitation of recourse with respect thereto and except as otherwise required pursuant to the terms of the Related Contracts, (iv) any sale, purchase, assignment or participation in respect of any Collateral Loan or other loan or security constituting any Collateral (other than pursuant to commitments then in effect or in the case of a sale or assignment upon payment in full of such Collateral Loan or other loan or security), (v) any determination to exercise, or not to exercise, remedies in respect of a Collateral Loan or other loan or security constituting any Collateral following a default or event of default thereunder and (vi) any other action or decision not to act which impairs or could be reasonably likely to impair the value of any Collateral Loan or other loan or security constituting any Collateral, or to extend or increase the Borrower's obligations with respect thereto or to interfere with the exercise of rights or remedies with respect to any Collateral Loan or other loan or security constituting any Collateral.

(b) Upon the occurrence and during the continuance of any Event of Default, in addition to all rights and remedies specified in this Agreement and the other Loan Documents, including Section 6.3, and the rights and remedies of a secured party under applicable law, including the UCC, the Administrative Agent or the Majority Lenders, by notice to the Borrower, may (i) declare the Commitments to be terminated forthwith, whereupon the Commitments shall forthwith terminate or (ii) declare the principal of and the accrued interest on the Loans and all other amounts whatsoever payable by the Borrower hereunder (including any amounts payable under Section 2.8) to be forthwith due and payable, whereupon such amounts shall be immediately due and payable without presentment, demand, protest or other formalities of any kind, all of which are hereby waived by the Borrower (an "Enforcement Event"); provided that (x) upon the occurrence of any Event of Default described in clause (f) or (g) of Section 6.1, the Loans and all such other amounts shall automatically become due and payable, without any further action by any party and (y) upon the occurrence of any Event of Default described in clause (l) or (m) of Section 6.1, the consent of all Lenders shall be required for an Enforcement Event.

(c) Upon the occurrence and during the continuance of an Event of Default, the Majority Lenders or the Collateral Agent (acting at the direction of the Administrative Agent or the Majority Lenders) will have the right to take any other remedies set forth in Section 6.3(b) below or other remedies permitted by law.

Section 6.3. Additional Collateral Provisions.

(a) Release of Security Interest. If and only if all Obligations under the Loans have been paid in full and all Commitments have been terminated, the Secured Parties shall, at the expense of the Borrower, promptly execute, deliver and file or authorize for filing such instruments as the Borrower shall reasonably request in order to reassign, release or terminate the Secured Parties' security interest in the Collateral. The Secured Parties acknowledge and agree that upon the sale, substitution or disposition of any Collateral by the Borrower in compliance with the terms and conditions of this Agreement, on the date of any such sale, substitution or other disposition, the Collateral Agent, on behalf of the Secured Parties, shall automatically and without further action be deemed to and hereby does terminate and release the Secured Parties' security interest in such Collateral and the Secured Parties shall, at the expense of the Borrower, execute, deliver and file or authorize for filing such instrument as the Borrower shall reasonably request to reflect or evidence such termination. Any and all actions under this Article VI in respect of the Collateral shall be without any recourse to, or representation or warranty by any Secured Party and shall be at the sole cost and expense of the Borrower.

(b) Additional Rights and Remedies. The Collateral Agent (for itself and on behalf of the other Secured Parties), acting at the direction of the Majority Lenders, shall have all of the rights and remedies of a secured party under the UCC and other applicable law. Upon the occurrence and during the continuance of an Event of Default, the Collateral Agent or its designees shall, at the direction of the Majority Lenders, to the extent permitted by applicable law (including the UCC) and notwithstanding anything in the Loan Documents to the contrary, (i) instruct the Borrower to deliver any or all of the Collateral, the Related Contracts and any other documents relating to the Collateral to the Collateral Agent or its designees and otherwise give all instructions for the Borrower regarding the Collateral; (ii) if the Loans have been accelerated in accordance with this Agreement, sell or otherwise dispose of the Collateral, all without judicial process or proceedings; (iii) take control of the proceeds of any such Collateral; (iv) subject to the provisions of the applicable Related Contracts, exercise any consensual or voting rights in respect of the Collateral; (v) release, make extensions, discharges, exchanges or substitutions for, or surrender all or any part of the Collateral; (vi) enforce the Borrower's rights and remedies with respect to the Collateral; (vii) institute and prosecute legal and equitable proceedings to enforce collection of, or realize upon, any of the Collateral; (viii) require that the Borrower immediately take all actions necessary to cause the liquidation of the Collateral in order to pay all amounts due and payable in respect of the Obligations, in accordance with the terms of the Related Contracts; (ix) redeem or withdraw or cause the Borrower to redeem or withdraw any asset of the Borrower to pay amounts due and payable in respect of the Obligations; (x) subject to Section 12.16, make copies of or, if necessary, remove from the Borrower's and its agents' place of business all books, records and documents relating to the Collateral; and (xi) endorse the name of the Borrower upon any items of payment relating to the Collateral or upon any proof of claim in bankruptcy against an account debtor. The Collateral Agent shall provide written notice of any liquidation of the Collateral to S&P.

The Collateral Agent shall not be under any duty or obligation to take any affirmative action to exercise or enforce any power, right or remedy available to it under this Agreement unless and until (and to the extent) at the express direction of the Majority Lenders; provided that the Collateral Agent shall not be required to take any such action at the direction of the Majority Lenders, any Secured Party or otherwise if the taking of such action, in the reasonable determination of the Collateral Agent, (x) shall be in violation of any applicable law or contrary to any provisions of this Agreement or (y) shall expose the Collateral Agent to liability hereunder (unless it has been provided with an indemnity agreement (including the indemnity provisions contained herein and in the other Loan Documents) which it reasonably deems to be satisfactory with respect thereto).

The Borrower hereby agrees that, upon the occurrence and during the continuance of an Event of Default, at the reasonable request of the Collateral Agent (acting at the direction of the Majority Lenders or acting directly or through the Administrative Agent) or the Majority Lenders, it shall execute all documents and agreements which are necessary or appropriate to have the Collateral assigned to the Collateral Agent or its designee. For purposes of taking the actions described in clauses (i) through (xi) of this Section 6.3(b) the Borrower hereby irrevocably appoints the Collateral Agent as its attorney-in-fact (which appointment being coupled with an

interest and is irrevocable while any of the Obligations remain unpaid and which can be exercised only if such Event of Default is continuing), with power of substitution, in the name of the Collateral Agent or in the name of the Borrower or otherwise, for the use and benefit of the Collateral Agent, for the benefit of the Secured Parties, but at the cost and expense of the Borrower and, except as permitted by applicable law, without notice to the Borrower.

All documented sums paid or advanced by the Collateral Agent in connection with the foregoing and all documented out-of-pocket costs and expenses (including reasonable and documented attorneys' fees and expenses) incurred in connection therewith, together with interest thereon at the Post-Default Rate for the Loans from the date of demand of repayment by the Collateral Agent until repaid in full, shall be paid by the Borrower to the Collateral Agent from time to time on demand in accordance with the Priority of Payments and shall constitute and become a part of the Obligations secured hereby.

Without the prior written consent of the Majority Lenders, credit bidding by any Lender (or any other Person) in connection with any foreclosure sale hereunder shall not be permitted.

Notwithstanding any other provision of this Article VI, in connection with the sale of the Collateral following an acceleration of the Obligations, the Services Provider (or any of its Affiliates) shall have the right (which right, for avoidance of doubt, shall be irrevocably forfeited if not exercised within the specified timeframe) to bid to purchase all of the Collateral Loans in the Collateral within five Business Days of its receipt of notice of such acceleration. If such bid is for an amount at least equal to all unpaid Obligations (other than unasserted Contingent Obligations) the Administrative Agent shall accept such bid. The Administrative Agent may, at the direction of the Majority Lenders, accept a lower bid. If the Administrative Agent accepts such bid, the Services Provider (or any of its Affiliates) shall have the right (which right, for the avoidance of doubt, shall be irrevocably forfeited if not exercised within the specified timeframe) to purchase all or any portion of the Collateral Loans in the Collateral by paying to the Collateral Agent in immediately available funds an amount equal to the agreed-upon bid price (which bid price shall not be less than the outstanding Obligations and, without duplication, all unpaid Administrative Expenses); provided that such purchase shall settle within 15 days of the date such notice of bid by Services Provider is received, otherwise such purchase shall not be permitted. Notwithstanding the foregoing purchase rights, if the Collateral Agent or the Majority Lenders propose to sell the Collateral or any part thereof in one or more parcels at a public or private sale, the Services Provider (or any of its Affiliates) and the Lenders shall have the right to offer bids to acquire all or any portion of the Collateral sold at such sale. To the extent the Administrative Agent (at the direction of the Majority Lenders) elects to sell any or all Collateral Loans at such public or private sale, such Collateral Loans or any parcel thereof shall be sold to the party offering the highest bid in immediately available funds.

(c) Remedies Cumulative. Each right, power, and remedy of the Agents and the other Secured Parties, or any of them, as provided for in this Agreement or in the other Loan Documents or now or hereafter existing at law or in equity or by statute or otherwise shall be cumulative and concurrent and shall be in addition to every other right, power, or remedy provided for in this Agreement or in the other Loan Documents or now or hereafter existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Agents or any other Secured Party of any one or more of such rights, powers, or remedies shall not preclude the simultaneous or later exercise by such Persons of any or all such other rights, powers, or remedies.

(d) Related Contracts.

(i) The Borrower hereby agrees that, to the extent not expressly prohibited by the terms of the Related Contracts, after the occurrence and during the continuance of an Event of Default, it shall (x) upon the written request of the Administrative Agent or the Collateral Agent, promptly forward to such Agent all information and notices which it receives under or in connection with the Related Contracts relating to the Collateral, subject to applicable confidentiality requirements, and (y) upon the written request of the Administrative Agent or the Collateral Agent, act and refrain from acting in respect of any request, act, decision or vote under or in connection with the Related Contracts relating to the Collateral only in accordance with the direction of such Agent; provided that if the Borrower receives conflicting requests pursuant to this subclause (y), it shall follow whichever request is evidenced to be derived from the direction of the Majority Lenders.

(ii) The Borrower agrees that, to the extent the same shall be in the Borrower's possession, it will hold all Related Contracts relating to the Collateral in trust for the Collateral Agent on behalf of the Secured Parties, and upon request of either Agent following the occurrence and during the continuance of an Event of Default or as otherwise provided herein, promptly deliver the same to the Collateral Agent or its designee.

(e) Borrower Remains Liable.

(i) Notwithstanding anything herein to the contrary, (x) the Borrower shall remain liable under the contracts and agreements included in and relating to the Collateral (including the Related Contracts) to the extent set forth therein, and shall perform all of its duties and obligations under such contracts and agreements to the same extent as if this Agreement had not been executed and (y) the exercise by any Secured Party of any of its rights hereunder shall not release the Borrower from any of its duties or obligations under any such contracts or agreements included in the Collateral.

(ii) No obligation or liability of the Borrower is intended to be assumed by either Agent or any other Secured Party under or as a result of this Agreement or the other Loan Documents, and the transactions contemplated hereby and thereby, including under any Related Contract or any other agreement or document that relates to Collateral and, to the maximum extent permitted under provisions of law, the Agents and the other Secured Parties expressly disclaim any such assumption.

(f) Protection of Collateral. The Borrower, or the Services Provider on behalf of and at the expense of the Borrower, shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such UCC-1 financing statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Lenders hereunder and to:

- (i) grant security more effectively on all or any portion of the Collateral;
- (ii) maintain, preserve and perfect any grant of security made or to be made by this Agreement including, without limitation, the first priority nature (subject to Permitted Liens) of the lien or carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any grant made or to be made by this Agreement (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);
- (iv) enforce any of the Collateral or other instruments or property included in the Collateral;
- (v) preserve and defend title to the Collateral and the rights therein of the Collateral Agent and the Secured Parties in the Collateral against the claims of all Persons and parties; and
- (vi) pay or cause to be paid any and all material Taxes levied or assessed upon all or any part of the Collateral, except to the extent such Taxes are being contested in good faith by appropriate proceedings promptly instituted and diligently concluded; provided that any reserve or other appropriate provision as shall be required in conformity with GAAP shall have been made therefor.

The Borrower hereby authorizes the Collateral Agent as its agent and attorney in fact to prepare and file any UCC-1 financing statement (which may describe the collateral as "all assets"), continuation statement and all other instruments, and take all other actions, required pursuant to this Section 6.3. Such authorization shall not impose upon the Collateral Agent, or release or diminish, the Borrower's obligations under this Section 6.3. The Borrower further authorizes the Administrative Agent's United States counsel to file any UCC-1 or UCC-3 financing statements that may be required by the Agents in connection with this Agreement and the transactions contemplated hereby.

Section 6.4. Application of Proceeds. Unless and until the Majority Lenders have exercised their right to direct the liquidation of the Collateral pursuant to this Article VI, all proceeds received in respect of the Collateral will be applied in accordance with the Priority of Payments specified in Section 9.1(a). All proceeds received after the Majority Lenders have exercised their right to direct the liquidation of the Collateral will be applied to the Obligations in the following order of priority on each date or dates fixed by the Collateral Agent (at the direction of the Majority Lenders):

(a) ~~first~~, to the payment of taxes, registration and filing fees then due and owing by the Borrower ~~so long as the Borrower is treated for U.S. federal income tax purposes as an entity disregarded as separate from a sole owner, in respect of Borrower or its assets~~; ~~second~~, to the payment to the Collateral Agent for all due and unpaid Collateral Agent Fees, all other Administrative Expenses owing to the Collateral Agent and all amounts owing and payable hereunder, or under any other Loan Documents, to the Collateral Administrator, the Custodian, the Securities Intermediary and the Document Custodian (including, in each case, without limitation, indemnity payments); and ~~third~~, to the payment to the Administrative Agent for all due and unpaid Administrative Agent Fees and all other Administrative Expenses owing to the Administrative Agent (including, without limitation, indemnity payments);

(b) to the payment of Administrative Expenses (other than those paid under clause (a) above), in the order of priority set forth in the definition of "Administrative Expenses";

(c) to the payment of all other amounts due to the Agents hereunder;

(d) to the payment of all amounts due to the Interest Hedge Counterparties under all Interest Hedge Agreements (exclusive of any early termination or liquidation payment owing by the Borrower by reason of the occurrence of an event of default or termination event thereunder with respect to such Interest Hedge Counterparty where such Interest Hedge Counterparty is the sole affected party or the defaulting party);

(e) to the payment to the Services Provider of all due and unpaid Senior Services Fees in an amount not to exceed the accrued Senior Services Fees for one Due Period;

(f) ~~first~~, to the payment to the Lenders hereunder on *pro rata* basis of all amounts due which constitute principal ~~and~~ interest ~~and~~ Commitment Fees (excluding the additional two percent of interest payable at the Post-Default Rate); ~~and second~~, to the payment to the Lenders hereunder on a *pro rata* basis of all interest payable at the Post-Default Rate (to the extent not paid in clause ~~first~~ above) and ~~third~~ all amounts due to the Lenders which constitute Increased Costs and all other amounts on and in respect of all Loans;

(g) to the payment of all amounts due to any Interest Hedge Counterparty under all Interest Hedge Agreements to the extent not paid under clause (d) above;

(h) to the payment of all amounts due to the Services Provider for any due and unpaid Subordinated Services Fees; and

(i) to the Borrower or for payment as directed by the Borrower, including to make a distribution to the Parent.

If on any date that payments are made pursuant to this Section 6.4 the amount available to be paid pursuant to any of the foregoing clauses (a) through (h) is insufficient to make the full amount of the disbursements required pursuant to any such clause, such payments will be applied in the order and according to the priority set forth in clauses (a) through (h) above and (except as provided in subclauses "first", "second" and "third" of clause (a) above and subclauses ~~first~~ ~~and~~ "second" ~~and~~ "third" of clause (f) above) ratably in accordance with the respective amounts owing under any such clause to the extent funds are available therefor.

Section 6.5. Capital Contributions. Upon prior written notice to the Borrower, the Administrative Agent, the Services Provider and the Collateral Agent, any equityholders of the Borrower may, but shall have no obligation to, at any time or from time to time make a capital contribution in Cash or Eligible Investments or an assignment and contribution of a Collateral Loan (valued at such Collateral Loan's Principal Collateralization Amount) to the Borrower for the purpose of (a) curing any Event of Default (but no such contribution shall cure any Event of Default without the consent of the Majority Lenders), (b) enabling the acquisition or sale of any Collateral Loan, (c) satisfying any Eligibility Criteria, the Coverage Test, the Senior Advance Rate Test or the Collateral Quality Test, (d) paying fees and expenses incurred in connection with the structuring, consummation and closing of the transaction contemplated by this Agreement, and (e) prepaying the Debt. All Cash contributed to the Borrower shall be treated as Principal Proceeds or Interest Proceeds, as designated by the Borrower (which designation shall be irrevocable); provided that, cash contributed as Interest Proceeds must result in the satisfaction of the Interest Coverage Ratio Test after the distribution of Interest Proceeds on the Quarterly Payment Date immediately following such cash contribution.

ARTICLE VII THE AGENTS

Section 7.1. Appointment and Authorization. Each Lender irrevocably appoints and authorizes the Agents to take such action as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to such Agent by the terms hereof or thereof, together with all such powers as are reasonably incidental thereto. Only the Agents (and not one or more of the Lenders) shall have the authority to deal directly with the Borrower under this Agreement and each Lender acknowledges that all notices, demands or requests from such Lender to the Borrower must be forwarded to the applicable Agent for delivery to the Borrower. Each Lender acknowledges that the Borrower has no obligation to act or refrain from acting on instructions or demands of one or more Lenders absent written instructions from an Agent in accordance with its rights and authority hereunder.

Section 7.2. Agents and Affiliates. The Agents shall each have the same rights and powers under this Agreement as the Lenders and may each exercise or refrain from exercising the same as though it were not an Agent, and such Agents and their respective affiliates may accept deposits from, lend money to, and generally engage in any kind of business with the Borrower or any Affiliate of the Borrower as if it were not an Agent hereunder, and the term "Lender" and "Lenders" may include Natixis, State Street and/or any Affiliate of Natixis or State Street in its individual capacity. The provisions in this Article VII with respect to the Agents shall apply only to the Agents acting in their capacities as such hereunder and not as Lenders.

Section 7.3. Actions by Agent. The obligations of the Agents hereunder are only those expressly set forth herein. No Agent shall have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities on the part of any Agent shall be read into this Agreement or any other Loan Document or shall otherwise exist against any Agent. The provisions of this Article VII are solely for the benefit of the Agents and the Lenders (other than Sections 7.1 and 7.8, which are also for the benefit of the Borrower). In performing its functions

and duties solely under this Agreement, each Agent shall act solely as the agent of the Lenders (except pursuant to Section 12.6(f)) and does not assume, nor shall be deemed to have assumed, any obligation or relationship of trust with or for the Lenders. Without limiting the generality of the foregoing, no Agent shall be required to take any action with respect to any Default, except as expressly provided in Article VI.

Section 7.4. Delegation of Duties; Consultation with Experts. Each Agent may execute any of its duties under this Agreement by or through its subsidiaries, affiliates, agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care. Each Agent may consult with legal counsel, independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel, accountants or experts.

Section 7.5. Limitation of Liability of Agents.

(a) No Agent nor any of its respective affiliates, directors, officers, agents or employees shall be liable for any action taken or not taken by it in connection herewith (x) with the consent or at the request of the Majority Lenders, or (y) in the absence of its own gross negligence or willful misconduct. No Agent nor any of their respective affiliates, directors, officers, agents or employees shall be responsible for or have any duty to ascertain, inquire into or verify (i) any statement, warranty or representation made in connection with this Agreement or any Borrowing hereunder; (ii) the performance or observance of any of the covenants or agreements of the Borrower; (iii) the satisfaction of any condition specified in Article III; or (iv) the validity, effectiveness or genuineness of this Agreement, the other Loan Documents or any other instrument or writing furnished in connection herewith. No Agent shall incur any liability by acting in reliance upon any notice, consent, certificate, statement, or other writing (which may be a bank wire, telex or similar writing) believed by it to be genuine or to be signed by the proper party or parties. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document or any other document furnished in connection herewith or therewith in accordance with a request of the Majority Lenders (or the Administrative Agent) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders. Under no circumstances shall the Agents be deemed liable for any special, indirect, punitive or consequential damages (including lost profits) even if such Agent has been advised of the likelihood of such damages and regardless of the form of action.

(b) The following additional provisions apply with respect to the Collateral Agent:

(i) the Collateral Agent shall not be deemed to have notice or knowledge of the occurrence and continuance of an Event of Default until an Administrative Officer of the Collateral Agent shall have received written notice (which notice shall refer to this Agreement and state that such notice is a notice of Default or Event of Default) thereof from the Borrower, the Services Provider, the Administrative Agent, a Lender or any other Person;

(ii) no provision of this Agreement or the other Loan Documents shall require the Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it; provided, however, that the reasonable and documented costs of performing its ordinary services under this Agreement shall not be deemed a "financial liability" for purposes hereof;

(iii) if, in performing its duties under this Agreement, the Collateral Agent is required to decide between alternative courses of action, the Collateral Agent may request written instructions from the Administrative Agent (and the Administrative Agent shall request written instructions from the Majority Lenders) as to the course of action desired. If the Collateral Agent does not receive such instructions within five Business Days after its request therefor, the Collateral Agent may, but shall be under no duty to, take or refrain from taking any such courses of action. The Collateral Agent shall act in accordance with instructions received after such five Business Day period except to the extent it has already taken, or committed itself to take, action inconsistent with such instructions;

(iv) the Collateral Agent shall be under no liability for interest on any funds received by it hereunder except to the extent of income or other gain on Eligible Investments which are deposits in or certificates of deposit of State Street or any Affiliate in its commercial capacity and income or other gain actually received (and not subsequently reinvested, withdrawn or distributed) by the Collateral Agent in Eligible Investments;

(v) the Collateral Agent shall not be liable or responsible for delays or failures in the performance of its obligations hereunder arising out of or caused, directly or indirectly, by circumstances beyond its control (such acts include but are not limited to acts of God, strikes, lockouts, riots, acts of war and interruptions, losses or malfunctions of utilities, computer (hardware or software) or communications services); it being understood that the Collateral Agent shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances; and

(c) without prejudice to the Collateral Agent's duties under Article VI or any other provision of any Loan Document, the Collateral Agent shall be under no obligation to take any action to collect from any Obligor any amount payable by such Obligor on the Collateral Loans or any other Collateral under any circumstances, including if payment is refused after due demand.

(d) No Agent shall have any duties or responsibilities except such duties and responsibilities as are specifically set forth in this Agreement, and no covenants or obligations shall be implied in this Agreement or the other Loan Documents against any such Person. No Agent shall be responsible for delays or failures in performance resulting from acts beyond its control. Such acts shall include but shall not be limited to acts of god, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, power failures, earthquakes or other disasters.

(e) In no event shall the Collateral Agent be liable for the selection of any investments or any losses in connection therewith, or for any failure of the Borrower to timely provide investment instruction to the Collateral Agent in connection with the investment of funds in or from any account set forth herein. Except as otherwise provided in Section 8.2(c) or Section 8.3, in the absence of a Borrower Order or, after an Event of Default, a direction from the Administrative Agent, all funds in any account held under this Agreement shall be held uninvested. Nothing in this Agreement shall be deemed to release the Collateral Agent in its individual capacity from any liability it may have as an obligor under any Eligible Investment.

(f) The Collateral Agent, and in the event that the Collateral Agent is also acting in the capacity of Custodian, Collateral Administrator, paying agent or securities intermediary hereunder or under the other Loan Documents, then in such other capacities, as well, shall be entitled to compensation from the Borrower in an amount separately agreed upon by the Borrower (or the Services Provider on its behalf) and the Collateral Agent. The Collateral Agent and its Affiliates also shall be permitted to receive additional compensation that could be deemed to be in the Collateral Agent's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain investments. Such compensation shall not be considered an amount that is reimbursable or payable pursuant to this Agreement.

(g) Without limiting the generality of any terms of this Section 7.5, the Collateral Agent shall have no liability for any failure, inability or unwillingness on the part of the Lenders, the Administrative Agent, the Services Provider or the Borrower to provide accurate and complete information on a timely basis to the Collateral Agent, or otherwise on the part of any such party to comply with the terms of this Agreement or the other Loan Documents, and shall have no liability for any inaccuracy or error in the performance or observance on the Collateral Agent's part of any of its duties hereunder that is caused by or results from any such inaccurate, incomplete or untimely information received by it, or other failure on the part of any such other party to comply with the terms hereof.

(h) The Collateral Agent shall not be under any obligation to (i) confirm or verify whether the conditions to the delivery of Collateral have been satisfied or to determine whether (A) a loan is a Collateral Loan or meets the criteria in the definition thereof or is otherwise eligible for purchase hereunder, (B) an investment is an Eligible Investment or meets the criteria in the definition thereof or is otherwise eligible for purchase hereunder or (ii) evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Borrower in connection with the grant by the Borrower to the Collateral Agent of any item constituting the Collateral or otherwise, or in that regard to examine any underlying documents, in order to determine compliance with the applicable requirements of and restrictions on transfer of a Collateral Loan or Eligible Investment.

(i) In order to comply with Applicable Law, including the laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including those relating to the funding of terrorist activities and money laundering, the Collateral Agent is required to obtain, verify and record certain information relating to individuals and entities which maintain a business relationship with the Collateral Agent. Accordingly, each of the parties agrees to provide to the Collateral Agent upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Collateral Agent to comply with Applicable Law. The Collateral Agent may from time to time establish any additional accounts deemed necessary or desirable for convenience in administering the Collateral so long as each such account is at all times subject to a valid and perfected first priority lien in favor of the Collateral Agent, for the benefit of the Secured Parties.

(j) The Collateral Agent shall not be under any obligation to exercise any of the rights or powers vested in it by this Agreement or any other Loan Document at the request or direction of the Majority Lenders or the Administrative Agent unless it shall have been provided indemnity reasonably satisfactory to it against the costs, expenses (including the reasonable fees and expenses of its attorneys and counsel), and liabilities which may be incurred by it in compliance with or in performing such request or direction. No provision of this Agreement or any Loan Document shall otherwise be construed to require the Collateral Agent to expend or risk its own funds or to take any action that could in its judgment cause it to incur any cost, expenses or liability unless it is provided an indemnity reasonably acceptable to it against any such expenditure, risk, costs, expense or liability. For the avoidance of doubt, the Collateral Agent shall not have any duty or obligation to take any affirmative action to exercise or enforce any power, right or remedy available to it under this Agreement or any other Loan Document unless and until directed by the Majority Lenders (or the Administrative Agent on their behalf).

(k) The Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, entitlement order, approval or other paper or document. The Collateral Agent shall not be liable for any error of judgment, or for any act done or step taken or omitted by it, in good faith, or for any mistakes of fact or law, or for anything that it may do or refrain from doing in connection herewith except in the case of its willful misconduct, bad faith, reckless disregard or grossly negligent performance or omission of its duties. The Collateral Agent may consult with legal counsel (including, without limitation, counsel for the Borrower or the Administrative Agent or any of their Affiliates) and independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts. The Collateral Agent shall not be liable for the actions or omissions of the Administrative Agent (including without limitation concerning the application of funds), or under any duty to monitor or investigate compliance on the part of the Administrative agent with the terms or requirements of this Agreement, any Loan Document or any related document, or their duties thereunder. The Collateral Agent shall be entitled to assume the due authority of any signatory and genuineness of any signature appearing on any instrument or document it may receive hereunder.

(l) The delivery of reports, and other documents and information to the Collateral Agent hereunder or under any other Loan Document is for informational purposes only and the Collateral Agent's receipt of such documents and information shall not constitute constructive notice of any information contained therein or determinable from information contained therein. The Collateral Agent is hereby authorized and directed to execute and deliver the other Loan Documents to which it is a party. Whether or not expressly stated in such Loan Documents, in performing (or refraining from acting) thereunder, the Collateral Agent shall have all of the rights, benefits, protections and indemnities which are afforded to it in this Agreement.

(m) Except as expressly provided herein or in any other Loan Document, nothing herein shall be construed to impose an obligation on the part of the Collateral Agent to recalculate, evaluate or verify any report, certificate or information received by it from the Borrower, Services Provider, Lender or Administrative Agent or to otherwise monitor the activities of the Borrower or Services Provider.

Funding Reserve Account shall, at the direction of the Borrower (or the Services Provider on behalf of the Borrower) be (i) to fund or pay Unfunded Amounts, (ii) at the election of the Borrower during the Reinvestment Period, to be applied as Principal Proceeds for use as is provided in this Agreement (including, without limitation, as provided in Section 9.1(a)(ii)) and (iii) after the Reinvestment Period, to the extent of any Excess Reserve Amount, to be applied as Principal Proceeds in accordance with Section 9.1(a)(ii). Notwithstanding the foregoing, the amount of all funds on deposit in the Future Funding Reserve Account on any date that exceeds the Required Amount on such date shall be transferred, at the direction of the Borrower (or the Services Provider on behalf of the Borrower) to the Collection Account on such date and applied as Principal Proceeds. For the avoidance of doubt, any amounts transferred from the Future Funding Reserve Account for application as Principal Proceeds as provided above shall be further invested in Collateral Loans (to the extent expressly permitted by the other provisions in this Agreement) or applied as Principal Proceeds in accordance with Section 9.1(a)(ii), in each case as expressly provided in this Agreement. The Collateral Agent agrees to give the Borrower and the Services Provider immediate notice if an Administrative Officer of the Collateral Agent obtains actual knowledge of or receives written notice that the Future Funding Reserve Account or any funds on deposit therein, or otherwise to the credit of the Future Funding Reserve Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Future Funding Reserve Account shall remain at all times with an Eligible Account Bank. In the event that the account bank at which the Future Funding Reserve Account is maintained ceases to be an Eligible Account Bank, or the ~~A~~ccount ~~B~~ank with respect to the Future Funding Reserve Account gives notice that it is terminating the Account Control Agreement, then Borrower shall, within 60 days of such occurrence, move the Future Funding Reserve Account to an Eligible Account Bank and cause the successor account bank to enter into a control agreement. Any interest earned on Eligible Investments held in the Future Funding Reserve Account shall be applied as Interest Proceeds.

(c) Interest Reserve Account. The Collateral Agent shall, on or prior to the Closing Date, establish a single, segregated trust account in the name "ORCC Financing II LLC Interest Reserve Account, subject to the lien of State Street Bank and Trust Company, as Collateral Agent for the benefit of the Secured Parties", which shall be designated as the "Interest Reserve Account" and which shall be governed solely by the terms of this Agreement and the Account Control Agreement and maintained with the Securities Intermediary in accordance with the Account Control Agreement for the benefit of the Secured Parties. The only permitted deposits to or withdrawals from the Interest Reserve Account shall be in accordance with the provisions of this Agreement. The Borrower shall not have any legal, equitable or beneficial interest in the Interest Reserve Account other than in accordance with this Agreement and the Priority of Payments. On or prior to the Closing Date, the Borrower shall deposit or cause to be deposited \$0.00 into the Interest Reserve Account. Amounts on deposit in the Interest Reserve Account will be invested in Eligible Investments selected by the Services Provider (on behalf of the Borrower), and earnings from all such investments will be deposited in the Collection Account as Interest Proceeds. On the first Quarterly Payment Date, funds in the Interest Reserve Account as of the related Collateral Report Determination Date will be applied as Interest Proceeds on such Quarterly Payment Date in accordance with the Priority of Payments, but solely to the extent that other Interest Proceeds are not available to satisfy all amounts described in Section 9.1(a)(i)(A) through (E). On the second Quarterly Payment Date, remaining funds in the Interest Reserve Account as of the related Collateral Report Determination Date will be applied as Interest

Proceeds on such Quarterly Payment Date in accordance with the Priority of Payments and the Interest Reserve Account will be closed. The Interest Reserve Account shall remain at all times with an Eligible Account Bank. In the event that the account bank at which the Interest Reserve Account is maintained ceases to be an Eligible Account Bank, or the Account Bank with respect to the Interest Reserve Account gives notice that it is terminating the Account Control Agreement, then Borrower shall, within 60 days of such occurrence, move the Interest Reserve Account to an Eligible Account Bank and cause the successor account bank to enter into a control agreement.

(d) Lender Collateral Account.

(i) The Collateral Agent shall, on or prior to the Closing Date, establish a single, segregated trust account in the name “ORCC Financing II LLC Lender Collateral Account”, which shall be designated as the “Lender Collateral Account” and which shall be governed solely by the terms of this Agreement and the Account Control Agreement and maintained with the Securities Intermediary in accordance with the Account Control Agreement for the benefit of the Secured Parties. The Collateral Agent shall have exclusive control over such account (and each subaccount thereof) and the sole right of withdrawal. The Lender Collateral Account may contain any number of subaccounts for the purposes described in this Section 8.3(d). The only permitted deposits to or withdrawals from the Lender Collateral Account shall be in accordance with the provisions of this Agreement. The Borrower shall not have any legal, equitable or beneficial interest in the Lender Collateral Account (or any subaccount thereof) other than in accordance with this Agreement.

(ii) If any Revolving Lender shall at any time be required to deposit any amount in the Lender Collateral Account in accordance with Section 11.5(b)(i), then (x) the Collateral Agent shall create a segregated subaccount with respect to such Revolving Lender (the “Lender Collateral Subaccount” of such Revolving Lender) and (y) the Collateral Agent shall deposit all funds received from such Revolving Lender into such Lender Collateral Subaccount. The only permitted withdrawal from or application of funds credited to a Lender Collateral Subaccount shall be as specified in this Section 8.3(d). Amounts on deposit in Lender Collateral Subaccount will be invested in Eligible Investments selected by the Services Provider, and earnings from all such investments will be remitted to the applicable Lender to the extent such Lender has fully funded such Lender Collateral Subaccount.

(iii) With respect to any Revolving Lender, the deposit of any funds in the applicable Lender Collateral Subaccount by such Revolving Lender shall not constitute a Borrowing by the Borrower and shall not constitute a utilization of the Revolving Commitment of such Revolving Lender, and the funds so deposited shall not constitute principal outstanding under the Revolving Loans. However, from and after the establishment of a Lender Collateral Subaccount, the obligation of such Revolving Lender to make Revolving Loans as part of any Borrowing under this Agreement shall be satisfied by the Collateral Agent withdrawing funds from such Lender Collateral Subaccount in the amount of such Revolving Lender’s

Percentage Share of such Borrowing. All payments of principal from the Borrower with respect to Revolving Loans made by such Revolving Lender (whether or not originally funded from such Lender Collateral Subaccount) shall be made by depositing the related funds into such Lender Collateral Subaccount and all other payments from the Borrower (including without limitation all interest and Commitment Fees) shall be made to such Revolving Lender in accordance with the order specified in the Priority of Payments. The Collateral Agent shall have full power and authority to withdraw funds from each such Lender Collateral Subaccount at the time of, and in connection with, the making of any such Borrowing and to deposit funds into each such Lender Collateral Subaccount, all in accordance with the terms of and for the purposes set forth in this Agreement.

(iv) Notwithstanding anything to the contrary herein, if on any Quarterly Payment Date (or on any other Business Day upon one Business Day's prior written request from such Revolving Lender) the sum of the amount of funds on deposit in the Lender Collateral Subaccount exceeds such Revolving Lender's Undrawn Commitment at such time (whether due to a reduction in the aggregate amount of the Revolving Commitments or otherwise), then the Collateral Agent shall remit to such Revolving Lender a portion of the funds then held in the related Lender Collateral Subaccount in an aggregate amount equal to such excess. Upon the termination of the Revolving Commitments (including following the occurrence of an Event of Default), the Collateral Agent shall promptly (and no later than one Business Day after such termination) remit to such Revolving Lender all of the funds then held in its related Lender Collateral Subaccount and shall terminate such account.

(v) Except as otherwise provided in this Agreement, for so long as any amounts are on deposit in any Lender Collateral Subaccount, the Collateral Agent shall invest and reinvest such funds in Eligible Investments of the type described in clause (iv) of the definition thereof. Interest received on such Eligible Investments shall be retained in such Lender Collateral Subaccount and invested and reinvested as aforesaid. Any gain realized from such investments shall be credited to such Lender Collateral Subaccount and any loss resulting from such investments shall be charged to such Lender Collateral Subaccount. Neither the Borrower nor the Collateral Agent shall in any way be held liable by reason of any insufficiency of such Lender Collateral Subaccount resulting from any loss relating to any such investment. The Lender Collateral Account shall remain at all times with an Eligible Account Bank. In the event that the account bank at which the Lender Collateral Account is maintained ceases to be an Eligible Account Bank, or the ~~A~~ccount ~~B~~ank with respect to the Lender Collateral Account gives notice that it is terminating the Account Control Agreement, then Borrower shall, within 60 days of such occurrence, move the Lender Collateral Account to an Eligible Account Bank and cause the successor account bank to enter into a control agreement.

(e) Closing Expense Account. The Collateral Agent shall, on or prior to the Closing Date, establish a single, segregated non-interest bearing trust account in the name "ORCC Financing II LLC Closing Expense Account, subject to the lien of the Collateral Agent for the benefit of the Secured Parties", which shall be designated as the "Closing Expense Account" and which shall be governed solely by the terms of this Agreement and the Account Control Agreement. The Collateral Agent shall have exclusive control over such account, subject to the Borrower's right to give instructions specified herein, and the sole right of withdrawal. Any and all funds at any time on deposit in, or otherwise to the credit of, the Closing Expense Account shall be held in trust by the Collateral Agent for the benefit of the Secured Parties. On or prior to the Closing Date, the Borrower shall deposit or cause to be deposited approximately \$2,910,000.00 into the Closing Expense Account. On any Business Day during the period that the Closing Expense Account is open, the Collateral Agent shall apply funds from the Closing Expense Account, as directed by the Borrower (or the Services Provider on behalf of the Borrower), to pay fees and expenses of the Borrower incurred in connection with the structuring, consummation, closing and post-closing of the transaction contemplated by this Agreement. Upon the delivery, on any date that is at least 60 days after the Closing Date, of a Borrower Order instructing the Collateral Agent to close the Closing Expense Account, all funds in the Closing Expense Account will be deposited in the Collection Account as Interest Proceeds and the Closing Expense Account will be closed. By Borrower Order (which may be in the form of standing instructions), the Borrower (or the Services Provider on behalf of the Borrower) may, so long as no Event of Default has occurred and is continuing, direct the Collateral Agent to, and, upon receipt of such Borrower Order, the Collateral Agent shall, invest all funds received into the Closing Expense Account during a Due Period as so directed by the Borrower (or the Services Provider on behalf of the Borrower) in Eligible Investments. Any income earned on amounts deposited in the Closing Expense Account will be deposited in the Collection Account as Interest Proceeds as it is received. The Collateral Agent agrees to give the Borrower and the Services Provider immediate notice if an Administrative Officer of the Collateral Agent obtains actual knowledge of or receives written notice that the Closing Expense Account or any funds on deposit therein, or otherwise to the credit of the Closing Expense Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Closing Expense Account shall remain at all times with an Eligible Account Bank. In the event that the account bank at which the Closing Expense Account is maintained ceases to be an Eligible Account Bank, or the Account Bank with respect to the Closing Expense Account gives notice that it is terminating the Account Control Agreement, then Borrower shall, within 60 days of such occurrence, move the Closing Expense Account to an Eligible Account Bank and cause the successor account bank to enter into a control agreement. The only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Closing Expense Account shall be in accordance with the provisions of this Section 8.3(e).

Section 8.4. Custodial Account.

(a) The Collateral Agent shall, on or prior to the Closing Date, establish a single, segregated non-interest bearing trust account in the name "ORCC Financing II LLC Custodial Account, subject to the lien of the Collateral Agent for the benefit of the Secured Parties", which shall be designated as the "Custodial Account" and which shall be governed solely by the terms of this Agreement and the Account Control Agreement. Such account shall be maintained with the Securities Intermediary pursuant to the terms of the Account Control Agreement and over which the Collateral Agent shall have exclusive control, subject to the Borrower's right to give instructions specified herein, and the sole right of withdrawal. Any and all assets or securities at any time on deposit in, or otherwise to the credit of, the Custodial

Account shall be held by the Custodian for the benefit for the Collateral Agent for the benefit of the Secured Parties. Except in connection with a liquidation pursuant to Article VI, the only permitted withdrawal from the Custodial Account or in, or otherwise to the credit of, the Custodial Account shall be as directed, upon Borrower Order, in accordance with the provisions of Sections 8.5 and 8.6. The Collateral Agent agrees to give the Borrower, the Services Provider and the Lenders immediate notice if an Administrative Officer of the Collateral Agent obtains actual knowledge of or receives written notice that the Custodial Account or any assets or securities on deposit therein, or otherwise to the credit of the Custodial Account, has become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Custodial Account shall remain at all times with an Eligible Account Bank and shall remain uninvested. In the event that the account bank at which the Custodial Account is maintained ceases to be an Eligible Account Bank, or the Account Bank with respect to the Custodial Account gives notice that it is terminating the Account Control Agreement, then Borrower shall, within 60 days of such occurrence, move the Custodial Account to an Eligible Account Bank and cause the successor account bank to enter into a control agreement.

The Collateral Agent shall appoint a custodian (the "Custodian") to act as a securities intermediary for purposes of this Agreement and the other Loan Documents. Initially, such Custodian shall be State Street. Any successor custodian shall be a state or national bank or trust company which (i) is not an Affiliate of the Borrower, (ii) has a combined capital and surplus of at least U.S.\$200,000,000, (iii) has a rating of at least "BBB+" by S&P and (iv) is a securities intermediary. If at any time the Custodian does not satisfy the conditions set forth in the foregoing sentence, the Borrower (subject to the consent of the Majority Lenders) shall appoint a replacement Custodian within 30 days of an Authorized Officer of the Borrower becoming aware of such circumstance. The rights, protections, immunities and indemnities afforded to the Collateral Agent under this Agreement shall also be afforded to the Custodian.

(b) Except as otherwise provided in Sections 8.5 and 8.6, all right, title and interest of the Borrower in and to the Custodial Account, all related property, and all proceeds thereof shall be subject to the security interest of the Collateral Agent hereunder.

(c) With respect to securities (including without limitation debt and equity securities, bonds, money market funds and mutual funds) issued in the United States, the Shareholders Communications Act of 1985 (the "Act") requires the Custodian to disclose to the issuers of such securities, upon their request, the name, address and securities position of its customers who are (a) the "beneficial owners" (as defined in the Act) of such issuer's securities, if the beneficial owner does not object to such disclosure, or (b) acting as a "respondent bank" (as defined in the Act) with respect to such securities. (Under the Act, "respondent banks" do not have the option of objecting to such disclosure upon the issuers' request.) The Act defines a "beneficial owner" as any person who has, or shares, the power to vote a security (pursuant to an agreement or otherwise), or who directs the voting of a security. The Act defines a "respondent bank" as any bank, association or other entity that exercises fiduciary powers which holds securities on behalf of beneficial owners and deposits such securities for safekeeping with a bank, such as the Custodian. Under the Act, a customer is either the "beneficial owner" or a "respondent bank". The "customer" for purposes hereof shall mean the Borrower and each Lender, each of which shall be deemed to be the "beneficial owner" (as defined in the Act) of such securities to be held by the Custodian hereunder, and each of the Borrower and the Lenders hereby waives any

objection to the disclosure of its name, address and securities position to any such issuer which requests such information pursuant to the Act for the specific purpose of direct communications between such issuer and the Borrower and each Lender. Each of the Borrower and the Lenders may, by written notice to the Custodian, opt out of the waiver referred to in the foregoing sentence and elect not to consent to the disclosure referred to in the foregoing sentence. With respect to such securities issued outside of the United States, information shall be released to issuers only if required by law or regulation of the particular country in which the securities are located.

(d) At any time and from time to time the Borrower, or the Services Provider on the Borrower's behalf, may deposit into the Custodial Account Collateral Loans and/or Eligible Investments not previously subject to the Lien of the Collateral Agent (for the benefit of the Secured Parties) granted under this Agreement; provided that (i) the requirements of Section 6.5 are complied with and (ii) upon such deposit into the Custodial Account, such assets shall automatically be subject to the Lien of the Collateral Agent (for the benefit of the Secured Parties) granted under this Agreement. Any such deposit shall be irrevocable. The Borrower shall notify the Agents in writing of any such deposit prior to or contemporaneously therewith.

Section 8.5. Acquisition of Collateral Loans and Eligible Investments. Each time that the Borrower acquires any Collateral Loan, Eligible Investment or other Collateral, the Borrower shall, if such Collateral Loan or Eligible Investment or other Collateral has not already been transferred to the Custodial Account, transfer or cause the transfer of such Collateral Loan or Eligible Investment and other Collateral to the Custodian to be held for the benefit of the Collateral Agent in accordance with the terms of this Agreement. The security interest of the Collateral Agent in the funds or other property utilized in connection with such acquisition shall, immediately and without further action on the part of the Collateral Agent, be released. The security interest of the Collateral Agent shall nevertheless come into existence and continue in the Collateral Loans and Eligible Investments and other Collateral so acquired, including all rights of the Borrower in and to any Related Contracts and Collections with respect to such Collateral Loans and Eligible Investments and other Collateral.

Section 8.6. Release of Security Interest in Sold Collateral Loans and Eligible Investments; Release of Security Interests Upon Termination

(a) Upon any sale or other disposition of a Collateral Loan or Eligible Investment or other Collateral (or portion thereof) in accordance with the terms of this Agreement, the security interest of the Collateral Agent in such Collateral Loan or Eligible Investment or other Collateral (or the portion thereof which has been sold or otherwise disposed of), and in all Collections and rights under Related Contracts with respect to such Collateral Loan or Eligible Investment or other Collateral (but not in the proceeds of such sale or other disposition) shall, immediately upon the sale or other disposition of such Collateral Loan or Eligible Investment or other Collateral (or such portion), and without any further action on the part of the Collateral Agent, be released, except for the proceeds of such sale or other disposition and except to the extent of the interest, if any, in such Collateral Loan or Eligible Investment or other Collateral which is then retained by the Borrower or which thereafter reverts to the Borrower for any reason.

(b) Upon the payment in full of the Obligations and termination of all Commitments hereunder, the Collateral shall be released from the liens created hereby and under the other Loan Documents, and this Agreement and all obligations of the Agents and each Lender hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Borrower. At the request and sole expense of the Borrower following any such termination, the Administrative Agent and/or the Collateral Agent, as applicable, shall promptly deliver to the Borrower (or its designee) any Collateral held by such Agent hereunder, and execute and deliver to the Borrower such documents as the Borrower shall reasonably request to evidence such termination. Any such release or termination shall be subject to the provision that the Obligations shall be reinstated if after such release or termination any portion of any payment in respect of the Obligations shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any substantial part of its property, or otherwise, all as though such payment had not been made.

Section 8.7. Method of Collateral Transfer. Notwithstanding any other provision of this Agreement, each item of Collateral shall be delivered to the Custodian by:

(a) with respect to such of the Collateral as constitutes an instrument, tangible chattel paper, a negotiable document (other than Related Contracts), or money, causing the Custodian to take possession of such instrument indorsed to the Custodian or in blank, or such money, negotiable document, or tangible chattel paper, in the State of New York separate and apart from all other property held by the Custodian;

(b) with respect to such of the Collateral as constitutes a certificated security in bearer form, causing the Custodian to take possession of the related security certificate in the State of New York;

(c) with respect to such of the Collateral as constitutes a certificated security in registered form, causing the Custodian to take possession of the related security certificate in the State of New York or the Commonwealth of Massachusetts, indorsed to the Custodian or in blank by an effective indorsement, or registered in the name of the Custodian, upon original issue or registration of transfer by the issuer of such certificated security;

(d) with respect to such of the Collateral as constitutes an uncertificated security, causing the issuer of such uncertificated security to register the Custodian or its nominee for the account of the Custodian as the registered owner of such uncertificated security;

(e) with respect to such of the Collateral as constitutes a security entitlement, causing the Securities Intermediary to indicate by book entry that the financial asset relating to such security entitlement has been credited to the Custodial Account;

(f) with respect to such of the Collateral as constitutes a deposit account, causing such deposit account to be established and maintained in the name of the Collateral Agent or the Custodian, as applicable, by a bank the jurisdiction of which for purposes of the UCC is the State of New York;

(g) with respect to such of the Collateral as constitutes cash, causing such cash to be credited to a Covered Account that is a deposit account; and

(h) taking such additional or alternative procedures as may hereafter become appropriate to grant a first priority, perfected security interest in such items of the Collateral to the Collateral Agent, consistent with applicable law or regulations.

If any item of Collateral is a financial asset issued by an issuer that is not the United States of America, an agency or instrumentality thereof, or some other United States person or entity, and if such item cannot be delivered as set forth above, such item may be delivered by the Collateral Agent holding such item in an account created and maintained in the name of the Collateral Agent with a banking or securities institution or a clearing agency or system located outside the United States such that the Collateral Agent holds a first priority, perfected security interest in such item of Collateral.

The Borrower agrees to record and file after the Closing Date all appropriate UCC-1 financing statements, continuation statements, and other amendments, meeting the requirements of applicable law in such manner and in such jurisdictions as are necessary to perfect and protect the interests of the Secured Parties in the Collateral under the applicable UCC against all creditors of and purchasers from the Borrower. The Borrower promptly shall deliver file-stamped copies of such UCC-1 financing statements, continuation statements, and amendments to the Agents.

In connection with each transfer of an item of Collateral to the Collateral Agent and/or the Custodian, the Collateral Agent or the Custodian, as applicable, shall make appropriate notations on its records indicating that such item of the Collateral is held for the benefit of the Secured Parties pursuant to and as provided in this Agreement and the other Loan Documents. Effective upon the transfer of an item of Collateral to the Collateral Agent and/or the Custodian, the Collateral Agent or the Custodian, as applicable, shall be deemed to acknowledge that it holds such item of Collateral as Collateral Agent or as Custodian, as applicable, under this Agreement and the other Loan Documents for the benefit and security of the Secured Parties.

Notwithstanding any other provision of this Agreement, the Collateral Agent shall not hold any item of Collateral through an agent except as expressly permitted by this Section 8.7.

Section 8.8. Continuing Liability of the Borrower. Notwithstanding anything herein to the contrary, the Borrower shall remain liable under each Related Contract, interest and obligation included in the Collateral, to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with and pursuant to the terms and provisions thereof, and shall do nothing to impair the security interest of the Collateral Agent in any Collateral. None of the Collateral Agent, the Document Custodian, the Custodian or any Secured Party shall have any obligation or liability under any such Related Contract, interest or obligation by reason of or arising out of this Agreement or the receipt by the Collateral Agent, the Document Custodian, the Custodian or any Secured Party of any payment relating to any such Related Contract, interest or obligation pursuant hereto, nor shall the Collateral Agent, the Document Custodian, the Custodian or any Secured Party be required or obligated in any manner to perform or fulfill any of the obligations of the Borrower thereunder or pursuant thereto, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any such Related Contract, interest or obligation, or to present or file any claim, or to take any action to collect or enforce any performance or the payment of any amount thereunder to which it may be entitled at any time.

Section 8.9. Reports.

(a) The Collateral Administrator shall deliver or make available to the Borrower by 11:00 a.m. (New York time) on each Business Day a report describing all Money (including but not limited to a breakdown of all such amounts into Interest Proceeds and Principal Proceeds) and other property received by it pursuant to the terms of this Agreement and the other Loan Documents on the preceding Business Day (the “Daily Report”). If any Money or property shall be received by the Collateral Agent on a day that is not a Business Day, the Collateral Administrator shall deliver the Daily Report with respect thereto to the Borrower on the next Business Day.

(b) The Collateral Administrator shall compile and provide, subject to the Collateral Administrator’s receipt from the Services Provider, the Borrower or the Administrative Agent, as applicable, such information with respect to the Collateral Loans and Eligible Investments to the extent not maintained or in the possession of the Collateral Administrator, the Collateral Report and the Payment Date Report in accordance with Exhibit D and Exhibit E hereof, respectively, and prepare drafts of such Collateral Report and Payment Date Report and provide such drafts to the Services Provider for review and approval; provided that each such draft is to be provided no later than four days prior to the date the Collateral Report or the Payment Date Report, as applicable, is due. The Borrower shall cause the Services Provider to review and confirm the calculations made by the Collateral Administrator in such Collateral Report or Payment Date Report within one Business Day prior to the due date of the Collateral Report or the Payment Date Report.

The Services Provider, the Administrative Agent, the Collateral Agent and the Borrower shall cooperate with the Collateral Administrator in connection with the preparation by the Collateral Administrator of Collateral Reports and Payment Date Reports. The Services Provider shall review and verify the contents of the aforesaid reports, instructions, statements and certificates, and upon verification shall make such reports available to S&P. Upon receipt of approval from the Services Provider, the Collateral Administrator shall transmit the same to the Borrower and shall make such reports available to the Administrative Agent and each Lender.

(c) The Collateral Administrator may conclusively rely on and without any investigation, information provided by the Services Provider, Borrower and Administrative Agent in preparation of the Collateral Report and the Payment Date Report. Nothing herein shall obligate the Collateral Administrator to review or examine such information for accuracy, correctness or validity.

The Collateral Administrator will make the Collateral Report and Payment Date Report available via its internet website. The Collateral Administrator’s internet website shall initially be located at <http://www.mystatereet.com>. The Collateral Administrator may change the way such statements are distributed. As a condition to access to the Collateral Administrator’s internet website, the Collateral Administrator may require registration and the acceptance of a disclaimer.

The Collateral Administrator shall be entitled to rely on but shall not be responsible for the content or accuracy of any information provided in the Collateral Report and the Payment Date Report which the Collateral Administrator disseminates in accordance with this Agreement and may affix thereto any disclaimer it deems appropriate in its reasonable discretion.

(d) Nothing herein shall impose or imply any duty or obligation on the part of the Collateral Administrator to verify, investigate or audit any such information or data, or to determine or monitor on an independent basis whether any issuer of the Collateral Loan is in default or in compliance with the underlying documents governing or securing such securities, from time to time, the role of the Collateral Administrator hereunder being solely to perform certain mathematical computations and data comparisons as provided herein.

(e) The Collateral Administrator shall have no liability for any failure, inability or unwillingness on the part of the Services Provider or the Borrower or the Administrative Agent to provide accurate and complete information on a timely basis to the Collateral Administrator, or otherwise on the part of any such party to comply with the terms of this Agreement, and shall have no liability for any inaccuracy or error in the performance or observance on the Collateral Administrator's part of any of its duties hereunder that is caused by or results from any such inaccurate, incomplete or untimely information received by it, or other failure on the part of any such other party to comply with the terms hereof.

(f) If, in performing its duties under this Section 8.9 in connection with compiling and delivering reports, the Collateral Administrator is required to decide between alternative courses of action, the Collateral Administrator may request written instructions from the Services Provider, acting on behalf of the Borrower, as to the course of action desired by it. If the Collateral Administrator does not receive such instructions within three Business Days after it has requested them, the Collateral Administrator may, but shall be under no duty to, take or refrain from taking any such courses of action. The Collateral Administrator shall act in accordance with instructions received after such three-Business Day period except to the extent it has already taken, or committed itself to take action inconsistent with such instructions. The Collateral Administrator shall be entitled to rely on the advice of legal counsel and independent accountants in performing its duties hereunder and shall be deemed to have acted in good faith if it acts in accordance with such advice.

(1) during the Reinvestment Period, at the sole discretion of the Services Provider, either (i) to the Borrower for payment as directed by the Borrower, including as to make a distribution to the Parent; (ii) to the Collection Account to be applied as Principal Proceeds for the purchase or origination of additional Collateral Loans, (iii) to be applied to prepay the principal of the Loans pursuant to Section 2.7, and/or (iv) for deposit into the Future Funding Reserve Account; and

(2) after the Reinvestment Period, to the Borrower or for payment as directed by the Borrower, either to (i) make a distribution to the Parent; or (ii) prepay the principal of the Loans pursuant to Section 2.7.

(ii) On each Quarterly Payment Date, following the distribution of all Interest Proceeds as set forth in Section 9.1(a)(i) above, Principal Proceeds (other than Principal Proceeds previously reinvested in Collateral Loans or otherwise designated by the Borrower for application pursuant to the parenthetical contained in Section 8.2(a)(ii) or otherwise to provide for any Unsettled Amount shall be applied as follows; provided that after giving effect to any such payment no Commitment Shortfall would exist (and, to the extent that any Commitment Shortfall would exist, Principal Proceeds shall first be deposited in the Future Funding Reserve Account in the amount needed to eliminate such Commitment Shortfall):

(A) to the payment of unpaid amounts in items (A) through (E) in Section 9.1(a)(i) above (in such order of priority stated therein);

during the Reinvestment Period, all remaining Principal Proceeds, at the sole discretion of the Services Provider:

- (1) to the Collection Account for the purchase of additional Collateral Loans;
- (2) to be applied to prepay the principal of the Loans pursuant to Section 2.7; and/or
- (3) to be deposited into the Future Funding Reserve Account;

after the Reinvestment Period,

- (1) *first*, to be applied to the payment of interest, principal, Commitment Fees and other obligations on the Loans until repaid in full;
- (2) *second*, to the payment of amounts referred to in items (F) through (J) in Section 9.1(a)(i) above, in the priority set forth therein but only to the extent not paid in full thereunder; and
- (3) *third*, to the Borrower or for payment as directed by the Borrower, including to make a distribution to the Parent.

(b) If on any Quarterly Payment Date the amount available in the Payment Account from amounts received in the related Due Period is insufficient to make the full amount of the disbursements required pursuant to any clause in the Priority of Payments, the Collateral Agent shall make the disbursements called for in the order and according to the priority set forth under Section 9.1(a) and ratably or in the order provided within a clause, as applicable, in accordance with the respective amounts owing under any such clause, to the extent funds are available therefor.

(c) On each Quarterly Payment Date, the Collateral Administrator (on behalf of the Borrower) shall deliver to the Administrative Agent, the Collateral Agent, the Services Provider and S&P (so long as S&P is rating the Loans) a report (the "Payment Date Report") containing the information described in Exhibit E hereto pursuant to Section 8.9 specifying the amount of Interest Proceeds (and, of such amount, the amount of Fee Proceeds) and Principal Proceeds received during the preceding Due Period and the amounts to be applied to each purpose set forth in Section 9.1(a). The information in each Payment Date Report shall be determined as of the Calculation Date immediately preceding the applicable Quarterly Payment Date. For the avoidance of doubt, in any month in which a Quarterly Payment Date occurs, the Collateral Report and the Payment Date Report may be combined into a single report.

(d) In the event that the Services Provider obtains actual knowledge of or receives written notice that any Interest Hedge Counterparty defaults in the payment of its obligations to the Borrower under any Interest Hedge Agreement on the payment date therefor, the Services Provider shall notify the Borrower which shall (or the Services Provider on behalf of the Borrower shall) make a demand on such Interest Hedge Counterparty, or any guarantor, if applicable, demanding payment by 12:00 noon, New York time, on the next Business Day. The Services Provider shall give notice to the Lenders, the Administrative Agent, S&P, the Borrower and the Collateral Agent upon the continuing failure by such Interest Hedge Counterparty (or applicable guarantor) to perform its obligations for one Business Day following a demand made by the Borrower (or the Services Provider on behalf of the Borrower) on such Interest Hedge Counterparty.

Section 10.1. Sale of Collateral Loans.

(a) Sales, Substitutions and Assignments. Provided that no Event of Default has occurred and is continuing (except for sales pursuant to clauses (i), (iii), (iv), (vi) or (viii) below which shall be permitted during the continuance of an Event of Default but only so long as the Majority Lenders have provided their written consent thereto pursuant to Section 6.2(a)) and subject to the satisfaction of the conditions specified in this Agreement, including without limitation Sections 5.33, 10.1(b) and 10.1(c), the Borrower or the Services Provider (on behalf of the Borrower) may direct the Collateral Agent in writing to sell, and the Collateral Agent shall sell or substitute in the manner directed by the Borrower or the Services Provider (on behalf of the Borrower) in writing, any Collateral Loan or other loan included in the Collateral (including (x) subject to Section 10.1(b), the sale by participation of all or a portion of the Borrower's interest in any Collateral Loan or other loan and (y) without limitation, the sale by assignment of a portion of the Borrower's interest in any Collateral Loan or other loan); provided that (x) such sale meets the requirements of any one of clauses (i) through (viii) of this Section 10.1(a) and (y) such substitution shall meet the requirements of clause (vii) of this Section 10.1(a), each of which requirements shall be satisfied upon receipt by the Collateral Agent of a trade ticket or other direction to sell or substitute (which shall be deemed to be a representation and certification from the Borrower or the Services Provider that such conditions are satisfied):

(i) Credit Risk Loans. The Borrower or the Services Provider (on behalf of the Borrower) may direct the Collateral Agent in writing to sell any Credit Risk Loan at any time during or after the Reinvestment Period without restriction.

(ii) Credit Improved Loans. The Borrower or the Services Provider (on behalf of the Borrower) may direct the Collateral Agent in writing to sell any Credit Improved Loan either:

(A) at any time if the Sale Proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such Credit Improved Loan; or

(B) during the Reinvestment Period if the Borrower, or the Services Provider in compliance with the Servicing Standard, reasonably believes prior to such sale that it will be able to enter into binding commitments to reinvest all or a portion of the proceeds of such sale in one or more additional Collateral Loans with an Aggregate Principal Balance (together with any Collateral (which, for the avoidance of doubt, may be Collateral Loans or Cash) contributed (which contribution shall be irrevocable) by the Borrower or the Services Provider on the Borrower's behalf prior to such sale) at least equal to the Investment Criteria Adjusted Balance of such Credit Improved Loan within 30 Business Days of such sale.

(iii) Defaulted Loans. The Borrower or the Services Provider (on behalf of the Borrower) may direct the Collateral Agent in writing to sell any Defaulted Loan at any time during or after the Reinvestment Period without restriction.

(v) Discretionary Sales. The Borrower or the Services Provider on behalf of the Borrower may at any time direct the Collateral Agent in writing to sell any Collateral Loan that is not covered by another provision of this Section 10.1; provided that such sale shall be permitted only so long as (i) the Aggregate Principal Balance of all such Collateral Loans (excluding CCC Collateral Loans that at the time of the commitment to sell constituted CCC Excess) sold during the preceding period of twelve calendar months (or, for the first twelve calendar months after the ~~Eighth~~Tenth Amendment Date, during the period commencing on the ~~Eighth~~Tenth Amendment Date) is not greater than 25% of Total Capitalization, as of the first day of such twelve calendar month period (or as of the ~~Eighth~~Tenth Amendment Date, as the case may be) or (ii) such sale is in connection with a Permitted Securitization (including, for the avoidance of doubt, sales to an Affiliate of the Borrower that is not the issuer or debtor in the Permitted Securitization in amounts necessary to satisfy sub-clause (x) of clause (b) of the definition of Permitted Distribution) and after giving effect to such sale, the requirements of Section 5.37 are satisfied as of such date. Any written direction given by the Borrower or the Services Provider on behalf of the Borrower to the Collateral Agent that pursuant to this clause (v) shall be deemed a representation and certification by the Borrower or the Services Provider on behalf of the Borrower to the Collateral Agent this clause (v) has been satisfied.

(vi) Mandatory Sales. The Borrower or the Services Provider (on behalf of the Borrower) shall use its commercially reasonable efforts to effect the sale of any Collateral Loan (other than Defaulted Loans) that no longer meets the criteria described in clause (n) in the definition of "Collateral Loan," within 18 months of the failure of such Collateral Loan to meet any such criteria (unless (1) the Rating Condition is satisfied or (2) the Borrower or the Services Provider determines that such sale would not be in the best interests of the Lenders).

(vii) Optional Repurchases or Substitutions by the Seller Pursuant to the Sale and Contribution Agreement; Limitations on Sales of Credit Risk Loans and Defaulted Loans. The Seller may optionally repurchase (or purchase, as applicable) and substitute Credit Risk Loans and Defaulted Loans pursuant to and in accordance with the Sale and Contribution Agreement and the Borrower shall sell and transfer Credit Risk Loans and Defaulted Loans to the Seller in connection therewith at any time during or after the Reinvestment Period; provided that, as certified to the Collateral Agent and the Administrative Agent by an Authorized Officer of the Services Provider, (A) the Aggregate Principal Balance of all Credit Risk Loans and Defaulted Loans which are optionally repurchased or substituted by the Seller pursuant to the Sale and Contribution Agreement may not exceed an amount equal to 20% of the Net Purchased Collateral Loan Balance as of such date of repurchase or substitution, (B) such substituted loan or loans meets the definition of "Collateral Loan", (C) such purchase or repurchase complies with the limitations set forth in Section 5.33, (D) such optional repurchase or substitution will not cause a Default or an Event of Default, (E) each Coverage Test shall be satisfied after giving effect to such repurchase or substitution or if not satisfied, maintained or improved, (F) subject to clause (G) below, each Collateral Quality Test is satisfied (or if not satisfied, maintained or improved) after giving effect to such repurchase or substitution, (G) after the Reinvestment Period, the Weighted Average Life of such substituted loan is less than or equal to the Weighted Average Life of the replaced Collateral Loan, (H) such substituted loan either exceeds or maintains the lien priority of the replaced Credit Risk Loan or Defaulted Loan, (I) the Scenario Default Rate of the Proposed Portfolio (after the substituted loans are added and replaced loans are removed) shall be the same or better than the Current Portfolio, (J) the Principal Balance of such substituted loan is not less than the Principal Balance of the replaced Collateral Loan; provided that this clause (J) shall not apply during the Reinvestment Period so long as before and immediately after giving effect to such substitution the Overcollateralization Ratio is not less than 176.76% and (K) the Eligibility Criteria are made no worse after giving effect to such substitution. The limitations set forth in subclauses (A) through (K) above are referred to herein as the "Repurchase and Substitution Limits". For the avoidance of doubt, notwithstanding anything to the contrary set forth herein or in any other Loan Document, the Services Provider shall have no obligation to repurchase or purchase any Credit Risk Loan or Defaulted Loan.

For the avoidance of doubt, after the Reinvestment Period, if the sale proceeds from Collateral Loans are not sufficient to purchase Collateral Loans, such purchases may only be made if the Borrower receives cash equity contributions in an amount sufficient to permit such purchase.

(viii) Sales in Connection with Payment in Full and Termination of the Facility The Borrower, or the Services Provider on behalf of the Borrower, may direct the Collateral Agent in writing to sell, assign or transfer all or any portion of the Collateral in connection with the payment in full of all of the Obligations (other than any unasserted Contingent Obligations) and the payment of any other amounts required to be paid pursuant to the Priority of Payments; provided that the proceeds from any such sale, assignment or transfer directed pursuant to this Section 10.1(a)(viii) are sufficient to pay in full all of the Obligations (other than any unasserted Contingent Obligations) and any other amounts required to be paid pursuant to the Priority of Payments (as certified to the Collateral Agent by the Borrower). For the avoidance of doubt, the Borrower, or the Services Provider on behalf of the Borrower, may only direct such sales, assignments or transfers contemplated by this Section 10.1(a)(viii) if no Enforcement Event (as defined in Section 6.2(b)) has occurred and is continuing at such time.

(b) Participations. The Borrower may not sell a participation interest in a Revolving Collateral Loan or a Delayed Funding Loan.

(c) Sales for Cash of Collateral Loans All sales of Collateral Loans or any portion thereof pursuant to this Section 10.1 shall be for Cash on a non-recourse basis, which shall be deemed Principal Proceeds for all purposes hereunder; provided that if such sale is in connection with a Permitted Securitization pursuant to Section 10.1(a)(v), a portion of the purchase price equal to the amount of Permitted Distribution that the Borrower may distribute to the Parent in accordance with Section 5.29 may be paid by means of proper accounting entries being entered upon the accounts and records of the Permitted Securitization's issuer, the Borrower and Parent to evidence the purchase of subordinated notes by the Parent from the Permitted Securitization's issuer in the amount of such Permitted Distribution, netted against the purchase of Collateral Loans by the Permitted Securitization's issuer from the Borrower in the amount of such Permitted Distribution netted against such Permitted Distribution by the Borrower to the Parent.

Section 10.2. Eligibility Criteria. Unless otherwise specified herein, on and after the Closing Date but solely during the Reinvestment Period, a debt obligation will be eligible for purchase or origination (including in connection with a substitution pursuant to Section 10.1(a)(vii)) by the Borrower and inclusion in the Collateral only if as evidenced by an officer's certificate of an Authorized Officer of the Borrower (or the Services Provider on behalf of the Borrower) delivered to the Collateral Agent, the Eligibility Criteria are satisfied at the time such debt obligation is purchased or originated (on a trade date basis), after giving effect to the inclusion of such debt obligation.

Section 10.3. Conditions Applicable to all Sale and Purchase Transactions Any transaction effected under this Article X or in connection with the acquisition, disposition or substitution of any asset shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Services Provider (or with an account or portfolio for which the Services Provider or any of its Affiliates serves as investment adviser), shall be effected in accordance with Section 5.33.

ARTICLE XI
CHANGE IN CIRCUMSTANCES

Section 11.1. [Reserved].

Section 11.2. Illegality. If, on or after the date of this Agreement, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender in good faith with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Lender to make, maintain or fund its SOFR Loans (if any) and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof (by telephone confirmed in writing) to the Lenders, the Collateral Agent and the Borrower, whereupon until such Lender notifies the Administrative Agent that the circumstances giving rise to such suspension no longer exist, such SOFR Loans (will be immediately converted into Loans that bear interest at a rate based on (1) Daily Simple SOFR, (2) the Agreed-Upon Replacement or (3) the Alternate Base Rate (in order of the foregoing priority pursuant to clauses (1) through (3)). Before giving any notice to the Administrative Agent pursuant to this Section 11.2, such Lender shall designate a different Applicable Lending Office if such designation would avoid the need for giving such notice and would not be otherwise disadvantageous to such Lender. If circumstances subsequently change so that it is no longer unlawful for an affected Lender to make or maintain SOFR Loans as contemplated hereunder, such Lender will, as soon as reasonably practicable after such Lender becomes aware of such change in circumstances, notify the Borrower, the Collateral Agent and the Administrative Agent and upon receipt of such notice, the obligations of such Lender to make or continue SOFR Loans shall be reinstated.

Section 11.3. Increased Cost and Reduced Return.

(a) If, on or after the Closing d[ate hereof], the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Applicable Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the Federal Reserve Board, special deposit, insurance assessment or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (or its Applicable Lending Office) or shall impose on any Lender (or its Applicable Lending Office), its Notes evidencing SOFR Loans, or its obligation to make SOFR Loans, and the result of any of the foregoing is to increase the cost to such Lender (or its Applicable Lending Office) of making or maintaining any Loan, or to reduce the amount of any sum received or receivable by such Lender (or its Applicable Lending Office) under this Agreement or under its

Notes with respect thereto (other than any increased costs on account of (x) Taxes imposed on or with respect to a payment hereunder, (y) Taxes described in clauses (ii) through (iv) of the definition of "Excluded Taxes" and (z) Connection Income Taxes), such additional amount or amounts as will compensate such Lender for such increased cost or reduction shall constitute "Increased Costs" payable by the Borrower pursuant to Sections 9.1(a) and 6.4; provided that such amounts shall be no greater than that which such Lender is generally charging other borrowers similarly situated to Borrower.

(b) If any Lender shall have determined that, after the Closing d/Date hereof, the adoption of any applicable law, rule or regulation regarding liquidity or capital adequacy, or any change in any such law, rule or regulation, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Lender as a consequence of such Lender's obligations hereunder to a level below that which such Lender could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy) by an amount deemed by such Lender to be material, then, upon demand (which demand shall set forth in reasonable detail the basis for such demand for compensation) by such Lender (with a copy to the Administrative Agent, the Collateral Agent and S&P), such additional amount or amounts as will compensate such Lender for such reduction (to the extent funds are available therefor in accordance with the Priority of Payments) shall constitute "Increased Costs" payable by the Borrower pursuant to Sections 9.1(a) and 6.4.

(c) Each Lender will promptly notify the Borrower, the Collateral Agent and the Administrative Agent of any event of which it has knowledge, occurring after the Closing d/Date hereof, which will entitle such Lender to compensation pursuant to this Section 11.3 and will designate a different Applicable Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not be otherwise disadvantageous to such Lender. A certificate of any Lender claiming compensation under this Section 11.3 and setting forth in reasonable detail a calculation of the additional amount or amounts to be paid to it hereunder shall be delivered in connection with any request for compensation and shall be conclusive in the absence of manifest error. In determining such amount, such Lender may use any reasonable averaging and attribution methods. Failure or delay on the part of any Lender to demand compensation under this Section 11.3 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 11.3 for any increased costs or reductions incurred more than six months prior to the date on which the applicable Lender notifies the Borrower; provided that if the event giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof.

(d) Notwithstanding anything to the contrary contained herein, all requests, rules, guidelines, requirements and directives promulgated (i) by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority), the Committee of European Banking Supervisors or the United States or foreign regulatory authorities, in each case, pursuant to Basel III or similar capital requirements directive existing

on the Closing Date impacting European banks and other regulated financial institutions, (ii) pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act and (iii) in connection with the EU Risk Retention Requirements shall, in each case, be deemed to be a change or adoption of any law, rule or regulation for purposes of this Section 11.3, regardless of the date enacted, adopted, issued or implemented; provided, however, that the Borrower shall not be responsible for any increased costs relating to the EU Risk Retention Requirements so long as the Retention Provider is in compliance with the requirements set forth in the Retention Letter.

(e) Notwithstanding anything to the contrary in this Section 11.3, the Borrower shall not be required to pay amounts to any Lender under this Section 11.3 to the extent such amounts would be duplicative of amounts payable by the Borrower under Section 11.4. To the extent the Borrower is required to pay any Lender additional amounts or indemnify any Lender in respect of Taxes or Other Taxes pursuant to Section 11.4, the provisions of Section 11.4 shall control.

(f) For the avoidance of doubt, the Borrower shall not be obligated to pay additional amounts to a Lender pursuant to clauses (a) or (b) of this Section 11.3 to the extent any such additional amounts are attributable to a failure by a Lender to comply with its obligations under the EU Risk Retention Requirements that are within its control.

Section 11.4. Taxes.

(a) Except as required by Applicable Law, any and all payments by or on behalf of the Borrower to or for the account of any Lender or any Agent under any Loan Document shall be made without deduction or withholding for any Taxes. If any Applicable Law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 11.4(a)) the applicable Lender or Agent (as the case may be) receives an amount equal to the sum it would have received had no such deduction or withholding been made. The Borrower shall furnish to the Collateral Agent and the Administrative Agent at their respective addresses set forth on the signature pages hereof, the original or a certified copy of a receipt evidencing payment thereof or, if a receipt is not available, such other evidence of payment as may be reasonably acceptable to such Lender, the Administrative Agent or the Collateral Agent.

(b) The Borrower agrees to pay to the relevant Government Authority in accordance with Applicable Law, or at the option of the applicable Agent reimburse it for payment of, any Other Taxes.

(c) (i) The Borrower agrees to indemnify each Lender for the full amount of any Indemnified Taxes (including Indemnified Taxes, imposed or asserted on or attributable to amounts payable under this Section 11.4) paid or payable by such Lender (as the case may be). This indemnification shall be made within ten days from the date such Lender (as the case may be) makes demand therefor accompanied by evidence reasonably satisfactory to the Borrower establishing liability for such Taxes.

(ii) Each Lender shall severally indemnify the Borrower, the Collateral Agent and the Administrative Agent for (i) any Indemnified Taxes attributable to such Lender, (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.6(b) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Borrower, the Collateral Agent or the Administrative Agent (as the case may be) in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. This indemnification shall be made within ten days from the date the Borrower, the Collateral Agent or the Administrative Agent (as the case may be) makes demand therefor accompanied by evidence reasonably satisfactory to the relevant Lender establishing liability for such Taxes.

(d) (i) Each Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and any Agent, at the time or times reasonably requested by the Borrower or the Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or any Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Agent as will enable the Borrower or the Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Borrower,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and any Agent on or about the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and any Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a “controlled foreign corporation” related to the Borrower as described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner.

(C) In addition to the foregoing requirements of this Section 11.4(d), each Foreign Lender shall, to the extent it is legally entitled to do so and as would not materially prejudice its commercial position, on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or any Agent), deliver to the Borrower and such Agent (in such number of copies as shall be requested by the recipient) executed originals of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax, duly completed, together with any required supplementary information as may be prescribed by Applicable Law to permit the Borrower or the Agent to determine the withholding or deduction required to be made.

(D) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and any Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Agent as may be necessary for the Borrower and the Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender hereby agrees that if any form or certification such Lender previously delivered pursuant to this Section 11.4(d) expires or becomes obsolete or inaccurate in any respect, such Lender shall update such form or certification or notify the Borrower and the Agents in writing of its legal inability to do so, in each case promptly after such form or certification so expires or becomes obsolete.

(e) If the Borrower is required to pay additional amounts to or for the account of any Lender pursuant to this Section 11.4, then such Lender will change the jurisdiction of its Applicable Lending Office so as to eliminate or reduce any such additional payment which may thereafter accrue if such change, in the sole judgment of such Lender, does not otherwise cause such Lender to incur additional costs or legal or regulatory burdens that the Lender considers in its good faith reasonable judgment to be material. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(f) If a Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified under this Section 11.4, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made under this Section 11.4 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such Lender and without interest (other than any interest paid by the relevant governmental authority with respect to such refund). The Borrower, upon the request of such Lender, shall repay to such Lender the amount paid over pursuant to this clause (f) (plus any penalties, interest or other charges imposed by the relevant governmental authority) in the event that such Lender is required to repay such refund to such governmental authority. Notwithstanding anything to the contrary in this clause (f), in no event will a Lender be required to pay an amount to the Borrower pursuant to this clause (f) the payment of which would place the Lender in a less favorable net after-Tax position than the Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This clause (f) shall not be construed to require any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

(g) Notwithstanding anything to contrary contained in this Section 11.4, all payments made to a Lender pursuant to this Section 11.4 shall only be made to the extent funds are available in accordance with the Priority of Payments.

(h) Each party's obligations under this Section 11.4 shall survive the resignation or replacement of the Collateral Agent or the Administrative Agent or any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 11.5. Replacement of Lenders.

(a) (x) If and for so long as any Lender (1) is a Downgraded Lender (subject to clauses (b) and (c) below), (2) is a Defaulting Lender, (3) is requesting compensation under Section 11.3, (4) is unable to make Loans under Section 11.2 or (5) (other than the Initial Lender) does not consent to a proposed amendment, waiver or other modification of this Agreement or any other Loan Documents within ten (10) Business Days after the date when such Lender receives a draft of the proposed amendment, waiver or other modification of this Agreement or any other Loan Document, that pursuant to Section 12.5 requires such Lender's consent pursuant to the terms hereof and to which proposed amendment, waiver or other modification all other Lenders (including the Initial Lender) have consented, (y) if the Borrower is required to pay any additional amount to such Lender or any authority for the account of such Lender pursuant to Section 11.4 or (z) if and for so long as the obligations of any Lender under this Agreement are the subject of a Bail-In Action, then the Borrower may, at its sole expense and effort, upon notice to such Lender, the Agents and S&P, direct such Lender to assign and delegate (and such Lender shall comply with such direction but shall have no obligation to search for, seek, designate or otherwise try to find, an assignee), without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 12.6), all of its interests, rights and obligations under this Agreement and the Notes to a financial institution that is (I) eligible to purchase the replaced Lender's Loans under the terms hereof, (II) not prohibited by any applicable law from making such purchase and (III) not the subject of a Bail-In Action with respect to its obligations hereunder (such purchaser, an "Approved Purchaser"), which shall assume such obligations (and which may be another Lender, if such other Lender accepts such assignment); provided that:

(i) such assigning Lender shall have received payment of an amount equal to the aggregate outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under its Note (including any amounts under Section 2.8) from such Approved Purchaser (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(ii) in the case of any such assignment or delegation resulting from a claim for compensation under Section 11.3 or payments required to be made pursuant to Section 11.4, such assignment or delegation will result in a reduction in such compensation or payments thereafter;

(iii) such assignment or delegation does not conflict with any applicable law; and

(iv) such Approved Purchaser shall deliver to the Borrower a notice of whether such Lender will be a CP Lender and, if so, the basis of the interest payable to such Approved Purchaser.

(b) If and for so long as any Lender is a Downgraded Lender or a Defaulting Lender hereunder:

(i) in the case of a Downgraded Lender, it holds any portion of the Revolving Commitments that remain in effect, then, as soon as practicable and in any event within 30 days after becoming a Downgraded Lender, (x) it shall deposit an amount equal to its Undrawn Commitments at such time into the Lender Collateral Account and (y) all principal payments in respect of the Loans which would otherwise be made to such Downgraded Lender shall be diverted to the Lender Collateral Subaccount of such Downgraded Lender in accordance with Section 8.3(d), and any amounts in such Lender Collateral Subaccount shall be applied to any future funding obligations of such Downgraded Lender; and

(ii) in the case of a Defaulting Lender, (x) the Commitment and Loans of any such Defaulting Lender shall not be included in determining whether the Majority Lenders or Majority Revolving Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 12.5); provided that (i) a Defaulting Lender's vote shall be included with respect to any action hereunder relating to any change that would require the consent of each Lender or each affected Lender under Section 12.5 (to the extent such Defaulting Lender is such an affected Lender) and (ii) a Defaulting Lender shall retain its voting rights if such Defaulting Lender is the only Lender, which vote shall not be unreasonably withheld, conditioned or delayed, and (y) no Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which time that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender during such time).

(c) Notwithstanding anything in Section 11.5(a) to the contrary, (i) a Lender shall not be required to make any assignment or delegation referred to in Section 11.5(a) if, prior thereto, as a result of a waiver by such Lender or the Borrower or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply and such Lender gives notice thereof to the Borrower and (ii) the Borrower may not require a Downgraded Lender to make any such assignment or delegation during the 30-day period referred to in clause (b)(i) above or at any time that a Downgraded Lender is in compliance with clause (b)(i)(x) above.

(d) Each of the Administrative Agent and any replaced Lender will agree to cooperate with all reasonable requests of the Borrower for the purpose of effecting a transfer in compliance with this Section 11.5.

(e) Nothing in this Section 11.5 shall be deemed to release a Defaulting Lender or Downgraded Lender from any liability arising from its failure to fund any Loans it is required to make hereunder.

(f) Notwithstanding anything to the contrary contained herein but subject to the Write-Down and Conversion Powers of any EEA Resolution Authority, the provisions of this Agreement relating to Downgraded Lenders solely due to any such Revolving Lender failing to be an Approved Lender (including Sections 8.3(d) and 11.5) shall continue to apply after the occurrence of a Bail-In Action, including that any amounts previously deposited in any Lender Collateral Subaccount will remain available in such Lender Collateral Subaccount following the occurrence of a Bail-In Action for the purposes set forth in this Agreement.

Section 11.6. Benchmark Replacement; Conforming Changes.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and all interest payments will be payable on a quarterly basis (including in the event that the Benchmark Replacement is Daily Simple SOFR).

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent, in consultation with the Borrower, will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

ARTICLE XII
MISCELLANEOUS

Section 12.1. Notices. All notices, requests and other communications to any party hereunder shall be in writing (including bank wire, facsimile, facsimile transmission, email or similar writing) and shall be given to such party: (i) in the case of the Borrower, the Services Provider, the Administrative Agent, the Collateral Agent, the Collateral Administrator, the Custodian or the Document Custodian, at its address, facsimile number and/or email address set forth on the signature pages hereof, (ii)(A) in the case of the initial Lender, at its address, facsimile number and/or email address set forth on the signature pages hereof and (B) in the case of any other Lender, at its address, facsimile number and/or email address set forth in its Administrative Questionnaire (which notices shall be solely by facsimile or email if so indicated therein) or as indicated in Schedule G, (iii) in the case of S&P, with respect to credit estimate related

notices/requests, by email to creditestimates@spglobal.com, with respect to CDO Monitor requests, by email to CDOMonitor@spglobal.com and with respect to all other notifications, by email to cdo_surveillance@spglobal.com or (iv) in the case of any party, such other address, facsimile number and/or email address as such party may hereafter specify for such purpose by notice to the Administrative Agent, the Collateral Agent and the Borrower. Each such notice, request or other communication shall be effective (w) if given by facsimile, when such facsimile is transmitted to the facsimile number specified in this Section 12.1 and the appropriate answerback is received, (x) if given by certified or registered mail, upon delivery, (y) if given by recognized courier guaranteeing overnight delivery, one Business Day after such communication is delivered to such courier or (z) if given by any other means, when delivered at the address or email address specified in this Section 12.1; provided that notices to the Administrative Agent under Article XI or to the Collateral Agent under Article VIII shall not be effective until received.

The Collateral Agent agrees to accept and act upon instructions or directions pursuant to this Agreement sent by unsecured email, facsimile transmission or other similar unsecured electronic methods; provided that any person providing such instructions or directions shall provide to the Collateral Agent an incumbency certificate listing persons designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give the Collateral Agent email or facsimile instructions (or instructions by a similar electronic method) and the Collateral Agent in its discretion elects to act upon such instructions, the Collateral Agent's reasonable understanding of such instructions shall be deemed controlling. The Collateral Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Collateral Agent's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 12.2. No Waivers. No failure or delay by either Agent, any Lender or the Borrower in exercising any right, power or privilege hereunder or under any Note shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 12.3. Expenses; Indemnification.

(a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses of the Agents, the Custodian, the Document Custodian and the Securities Intermediary, including, without limitation, reasonable and documented fees and disbursements of counsel in connection with the preparation, syndications and administration of this Agreement, the Loan Documents and any documents and instruments referred to therein, and further modifications or syndications of the Loans in connection therewith, the administration of the Loans, any waiver or consent hereunder or any amendment or modification hereof or any Default; and (ii) all reasonable and documented out-of-pocket expenses incurred by any Agent, including reasonable and documented fees and disbursements of counsel for each Agent, in connection with the

enforcement of the Loan Documents and the instruments referred to therein and such collection, bankruptcy, insolvency and other enforcement proceedings resulting therefrom. For the sake of clarity, this Section 12.3(a) shall not impose any payment obligation on the Borrower with respect to Taxes, which obligation shall be addressed solely by Section 11.4.

(b) The Borrower agrees to indemnify the Administrative Agent, the Collateral Agent, the Collateral Administrator, the Custodian, the Document Custodian, the Securities Intermediary and each Lender, their respective affiliates and the respective directors, officers, agents and employees of the foregoing (each, an “Indemnitee”) and hold each Indemnitee harmless from and against any and all liabilities, losses, damages, costs and expenses of any kind, including, without limitation, the reasonable and documented fees and disbursements of counsel for each Agent, which may be incurred by such Indemnitee in connection with any investigative, administrative or judicial proceeding (whether or not such Indemnitee shall be designated a party thereto) that may at any time (including, without limitation, at any time following the payment of the Obligations) be imposed on, asserted against or incurred by any Indemnitee as a result of, or arising out of, or in any way related to or by reason of, (i) any of the transactions contemplated by the Loan Documents or the execution, delivery or performance of any Loan Document, (ii) the grant to the Collateral Agent, the Lenders of any Lien, on the Collateral, (iii) the exercise by the Administrative Agent, the Collateral Agent, the Lenders or of their rights and remedies (including, without limitation, foreclosure) under any agreements creating any such Lien, (iv) the failure of the Collateral Agent to have a valid and perfected Lien on any Collateral, (v) a breach by the Borrower of any representation, warranty or covenant contained in any Loan Document or any document relating to any Collateral or (vi) any loss arising from any action or inaction of the Borrower or any of its Affiliates regarding the administration of any Collateral or otherwise relating to such Collateral (other than an Obligor’s financial inability to make payments with respect to any such Collateral) but excluding, in each case, as to any Indemnitee, any such losses, liabilities, damages, expenses or costs incurred by reason of the bad faith, gross negligence or willful misconduct by such Indemnitee with respect to its obligations under this Agreement as finally determined by a court of competent jurisdiction. The Borrower’s obligations under this Section 12.3 shall survive the termination of this Agreement and the payment of the Obligations and the resignation or removal of an Agent. For the sake of clarity, this Section 12.3(b) shall not impose any indemnification or similar obligation on the Borrower with respect to Taxes, which obligation shall be addressed solely by Section 11.4.

Section 12.4. Sharing of Set-Offs. In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of any Event of Default, each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to the Borrower or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special, time or demand, provisional or final) and any other Indebtedness at any time held or owing by such Lender (including, without limitation, by branches and agencies of such Lender wherever located) to or for the credit or the account of the Borrower against and on account of the Obligations of the Borrower then due and payable to such Lender under this Agreement or under any of the other Loan Documents, including, without limitation, all interests in Obligations purchased by such Lender.

Each Lender agrees that if it shall, by exercising any right of set-off or counterclaim or otherwise, receive payment of a proportion of the aggregate amount of principal, interest, fees and other amounts due with respect to any Loan held by it which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal, interest, fees and other amounts due with respect to the Loans held by such other Lender, the Lender receiving such proportionately greater payment shall purchase such participations in the Loans held by the other Lenders, and such other adjustments shall be made, as may be required so that all such payments of principal, interest, fees and other amounts with respect to the Loans held by the Lenders shall be shared by the Lenders *pro rata*; provided that nothing in this Section 12.4 shall impair the right of any Lender to exercise any right of set-off or counterclaim it may have and to apply the amount subject to such exercise to the payment of Indebtedness of the Borrower other than its Indebtedness under the Loans. The Borrower agrees, to the fullest extent it may effectively do so under applicable law, that any holder of a participation in a Loan, whether or not acquired pursuant to the foregoing arrangements, may exercise rights of set-off or counterclaim and other rights with respect to such participation as fully as if such holder of a participation were a direct creditor of the Borrower in the amount of such participation. Notwithstanding anything to the contrary contained herein, any Lender may, by separate agreement with the Borrower, waive its right to set off contained herein or granted by law and any such written waiver shall be effective against such Lender under this Section 12.4. For the avoidance of doubt, for purposes of this Section 12.4, a *pro rata* allocation will mean an allocation of the amount received by such set-off or counterclaim and other rights as if such amount had been applied as a prepayment of the Loans under Section 2.7.

Section 12.5. Amendments and Waivers.

(a) Any provision of this Agreement, the Notes or any other Loan Document may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Borrower and the Majority Lenders (and, if the rights, protections, indemnities or duties of the Administrative Agent and/or the Collateral Agent are affected thereby, by the Administrative Agent and/or the Collateral Agent, as the case may be); provided that:

(i) no such amendment or waiver shall, unless signed by all the (1) Lenders, extend the Stated Maturity; (2) Revolving Lenders, increase or decrease the Revolving Commitment of any Revolving Lender, subject any Revolving Lender to any additional obligation or alter the terms of Section 2.6 or Section 2.7; (3) Revolving Lenders, change the Percentage Share of the Revolving Commitments allocable to any Revolving Lender (other than an increase in the Revolving Commitments of another Lender or the addition of a new Lender); (4) Lenders, change the Percentage Share of the aggregate unpaid principal amount of the Loans, or the number of Lenders, which shall be required for the Lenders or any of them to take any action under this Section 12.5 or any other provision of this Agreement; ~~(other than an increase in the Commitments of another Lender or the addition of a new Lender)~~; (5) Lenders, release any Collateral except as provided in this Agreement or the other Loan Documents; or (6) Lenders, alter the terms of Section 2.10, Section 6.4, Section 9.1 or this Section 12.5 (or in each case any defined term as it is used therein) in a manner adverse to the interests of any Lender; provided, that notwithstanding anything to the contrary in this Section 12.5(a)(i),

in connection with an amendment of this Agreement, in a manner that is not adverse to any of the other Lenders (as evidenced by either an opinion of counsel or an Authorized Officer's certificate of the Servicer), with respect to an additional Loan or an increased Commitment, the Borrower, the Administrative Agent and any Lender so increasing its Loans or Commitments at such time, may amend this Agreement in order to effectuate any such additional Loans or increased Commitments, without the consent of any other parties;

(ii) no such amendment or waiver shall, unless signed by all Lenders affected thereby, postpone the date fixed for any payment of principal of or interest on any Loan or any fees or other amounts hereunder or for any reduction or termination of any Commitment;

(iii) no such amendment or waiver shall, unless signed by the applicable Lender, reduce the principal of or rate of interest on any Loan held by such Lender or any fees or indemnities payable for the account of such Lender; provided that the foregoing shall not apply to the rescission of interest accruing at the Post-Default Rate, which may be rescinded by the Majority Lenders;

(iv) no amendment or waiver of any provision under this Agreement or any other Loan Document that governs the rights and obligations of CP Lenders or their Conduit Support Providers (including this Section 12.5(a)(iv)) (other than amendments and waivers that apply generally to Lenders) or that specifically relates to CP Conduits shall be effective without the written consent of each CP Lender; and

(v) to the extent an amendment or waiver of any provision of this Agreement directly affects only the Revolving Lenders, then such amendment, modification or waiver shall be effective with the written consent of the Majority Revolving Lenders.

(b) In connection with any proposed amendment or waiver of this Agreement or any other Loan Document pursuant to this Section 12.5, either (1) such proposed amendment or waiver will be effective only upon satisfaction of the Rating Condition or the consent of the Majority Lenders or (2) if, in the Borrower's reasonable determination, such proposed amendment or waiver does not have a reasonable likelihood of being adverse to the interests of any Lender, then the Borrower shall, not later than ten Business Days prior to the execution of such proposed amendment or waiver, deliver to each of the Lenders a copy of such proposed amendment or waiver; provided, in the case of the foregoing clause (2), if any Lender notifies the Borrower prior to the execution of such proposed amendment or waiver that, based on its reasonable determination such proposed amendment or waiver could adversely affect the interests of any Lender, such proposed amendment or waiver will be effective only upon satisfaction of the Rating Condition or the consent of the Majority Lenders.

(c) The parties hereto agree that, notwithstanding the provisions of Section 12.5(a) and (b) above, Section 7.5(n) and Exhibit K may be amended by agreement in writing (which may be by way of email) between the Services Provider, the Collateral Agent, the Administrative Agent (acting at the direction of the Controlling Parties) and the Borrower.

(d) The Borrower shall, promptly following the execution of any amendment, waiver or supplement to any Loan Document, provide copies thereof to each Lender, the Administrative Agent, the Collateral Agent and S&P.

Section 12.6. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Borrower may not assign or otherwise transfer any of its rights or obligations under this Agreement or the other Loan Documents without the prior written consent of each of the Lenders except as permitted by this Agreement.

(b)(i) Any Lender may at any time grant to one or more banks, commercial paper conduits or other institutions (each, a Participant) participating interests in any or all of its Loans; provided that each such Participant represents in writing to such Lender that it (and each account for which it is acquiring such participating interest) is a “qualified purchaser” for purposes of Section 3(c)(7) of the Investment Company Act. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and the Borrower and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. An assignment or other transfer which is not permitted by subsection (c) or (d) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b).

(ii) In the event any Lender sells a participation in any or all of its Loans hereunder, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 11.3 and 11.4 (subject to the requirements and limitations therein, including the requirements under Section 11.4(d) (it being understood that the documentation required under Section 11.4(d) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (c) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 11.3(c) and 11.4(e) as if it were an assignee under paragraph (c) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 11.3 or 11.4, with respect to any participation, than its participating Lender would have been entitled to receive. Each Lender that sells a participation agrees, at the Borrower’s request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 11.5 with respect to any Participant.

(iii) In the event that any Lender sells participations in any or all of its Loans hereunder, such Lender shall, acting solely for this purposes as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of all Participants in the Loans held by it and the principal amount (and stated interest thereon) of the portion of the Loans which is the subject of the participation (the "Participant Register"). A Loan may be participated in whole or in part only by registration of such participation on the Participant Register. Any participation of such Loan may be effected only by the registration of such participation on the Participant Register. No Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(c)

(i) ~~(e)~~ (i) With the prior written consent of the Administrative Agent (such consent not to be unreasonably withheld) and the Borrower (such consent not to be unreasonably withheld), provided that such consent will not be required for an assignment to any existing Lender or Affiliate of a Lender or any assignment during the existence of an Event of Default or with respect to any assignment from a CP Lender to any other CP Lender that is an affiliate or under common program management with the assigning CP Lender, in each case, excluding any assignment from a Lender (with respect to a Loan to which the Cost of Funds Rate does not apply) to any CP Conduit or CP Lender that is not a Permitted CP Lender such that, after such assignment, such CP Conduit or CP Lender will be a Lender with respect to a Revolving Loan to which the Cost of Funds Rate will apply), any Lender may at any time assign to one or more banks, CP Conduits or other financial institutions (each, an "Assignee") all or any portion of its rights and obligations under this Agreement, the Notes and the other Loan Documents, and such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption executed by such Assignee and such transferor Lender; provided that, unless otherwise approved in writing by the Administrative Agent, such assignment is in an amount which is at least \$10,000,000 or a multiple of \$1,000,000 (or the remainder of such Lender's Loans); it being understood that a Lender may allocate such assignment in smaller amounts of not less than \$1,000,000 between or among separate internal accounts.

(ii) Upon execution and delivery of such instrument and payment by such Assignee to such transferor Lender of an amount equal to the purchase price agreed between such transferor Lender and such Assignee, such Assignee (and if the Assignee is a Conduit Assignee, any Related CP Issuer, if such Conduit Assignee does not itself issue commercial paper) shall be a party to this Agreement and shall have all the rights, protections and obligations of a Lender with Commitments as set forth in such instrument of assumption, and the transferor Lender shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required. Upon the

consummation of any assignment pursuant to this subsection (c), the transferor Lender, the Administrative Agent and the Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such assignment, the transferor Lender shall pay to the Administrative Agent an administrative fee for processing such assignment in the amount of \$2,500 (unless such fee is waived by the Administrative Agent). Each Assignee shall deliver to the Borrower and the Administrative Agent the relevant form or certification in accordance with Section 11.4(d).

(d) Any Lender may at any time assign all or any portion of its rights under this Agreement and its Note to a Federal Reserve Bank. No such assignment shall release the transferor Lender from its obligations hereunder. Promptly upon being notified in writing of such transfer, the Administrative Agent shall notify the Borrower thereof.

(e) No Assignee or Participant of any Lender's rights shall be entitled to receive any greater payment under Section 11.3 or 11.4 than such Lender would have been entitled to receive with respect to the rights transferred, unless such transfer is made by reason of the provisions of Section 11.2, 11.3(e) or 11.4 requiring such Lender to designate a different Applicable Lending Office under certain circumstances or the circumstances giving rise to such greater payment did not exist at the time of the transfer or except to the extent such entitlement to receive a greater payment results from a change in law that occurs after such Assignee or Participant acquired the applicable interest.

(f) The Administrative Agent, acting as non-fiduciary agent (solely for this purpose) of the Borrower, shall maintain at one of its offices in New York City, New York a copy of each Assignment and Assumption delivered to it and a register (the "Register") for the recordation of the names and addresses of the Lenders, and the Commitments of, and the principal amount (and stated interest thereon) of the Loans owing to each Lender from time to time. The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as the owner of a Loan or Note hereunder as the owner thereof for all purposes of this Agreement, notwithstanding any notice to the contrary. Any assignment of any Loan or Note hereunder shall be effective only upon appropriate entries with respect thereto being made in the Register. If any assignment or transfer of all or any part of a Loan that is then evidenced by a Note is made, such assignment or transfer shall be registered on the Register only upon surrender for registration of assignment or transfer of the related Note, duly endorsed by (or accompanied by a written instrument of assignment or transfer duly executed by) the holder thereof, and thereupon one or more new Note(s) in the same aggregate principal amount shall be issued to the designated Assignee(s) (and, if applicable, assignor) and the old Note shall be returned to the Borrower marked "cancelled". The Register shall be available for inspection by the Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice. The Administrative Agent shall provide to the Collateral Agent from time to time at the request of the Collateral Agent information related to the Lenders (including, without limitation, all wire instructions and other information necessary for distributions to the Lenders hereunder).

Section 12.7. Collateral: OP Status. Each of the Lenders represents to the Administrative Agent, the Collateral Agent, each of the other Lenders, and the Borrower that (i) it (and each account for which it is acquiring a Loan) is a “qualified purchaser” for purposes of Section 3(c)(7) of the Investment Company Act and (ii) it in good faith (and in reliance on the accuracy as to factual matters of the representations contained in the first two sentences of Section 4.10) is not relying upon any Margin Stock as collateral in the extension or maintenance of the credit provided for in this Agreement. For the avoidance of doubt, the parties hereunder intend that the advances made pursuant to this Agreement constitute loans and not securities.

Section 12.8. Governing Law; Submission to Jurisdiction.

(a) THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

(b) Any legal action or proceeding with respect to this Agreement or any other Loan Document and any action for enforcement of any judgment in respect thereof may be brought in the courts of the State of New York sitting in the Borough of Manhattan or of the United States of America for the Southern District of New York, and, by execution and delivery of this Agreement, each party hereto hereby accepts for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid courts and appellate courts from any thereof. Each party hereto irrevocably consents to the service of process out of any of the aforementioned courts in any such action or proceeding by the hand delivery, or mailing of copies thereof by registered or certified mail, postage prepaid, to each party hereto at its respective address on the signature pages hereto. Each party hereto hereby irrevocably waives, to the extent permitted by applicable law, any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with this Agreement or any other Loan Document brought in the courts referred to above and hereby further irrevocably waives, to the extent permitted by applicable law, and agrees not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum. Nothing herein shall affect the right of either Agent, any Lender, any holder of a Note to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against the Borrower in any other jurisdiction.

Section 12.9. Marshalling; Recapture. Neither the Administrative Agent, the Collateral Agent nor any Lender shall be under any obligation to marshal any assets in favor of the Borrower or any other party or against or in payment of any or all of the Obligations. To the extent any Lender receives any payment by or on behalf of the Borrower, which payment or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to the Borrower or its estate, trustee, receiver, custodian or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then to the extent of such payment or repayment, the Obligation or part thereof which has been paid, reduced or satisfied by the amount so repaid shall be reinstated by the amount so repaid and shall be included within the liabilities of the Borrower to such Lender, as of the date such initial payment, reduction or satisfaction occurred.

Section 12.10. Counterparts; Integration; Effectiveness. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement constitutes the entire agreement and understanding among the parties hereto and supersedes any and all prior agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective upon receipt by the Administrative Agent of counterparts hereof signed by each of the parties hereto (which counterparts may be delivered by facsimile or email transmission). The parties agree that this Agreement may be electronically signed and that such electronic signatures appearing on this Agreement are the same as handwritten signatures for purposes of validity, enforceability and admissibility.

Section 12.11. Waiver of Jury Trial. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF THE BORROWER, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT AND THE LENDERS HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 12.12. Survival. All indemnities set forth herein shall survive the execution and delivery of this Agreement and the other Loan Documents, any assignment pursuant to Section 12.6 and the making and repayment of the Loans hereunder.

Section 12.13. Domicile of Loans. Each Lender may transfer and carry its Loans at, to or for the account of any domestic or foreign branch office, subsidiary or affiliate of such Lender.

Section 12.14. Limitation of Liability. No claim may be made by the Borrower, the Services Provider or any other Person against the Administrative Agent, the Collateral Agent or any Lender or the affiliates, directors, officers, employees, attorneys or agents of any of them for any consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement or by the other Loan Documents, or any act, omission or event occurring in connection therewith; and each of the Borrower and the Services Provider hereby waives, releases and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

Section 12.15. Recourse; Non-Petition.

(a) All obligations, covenants and agreements of Borrower contained in or evidenced by this Agreement, the Notes and any Loan Document shall be fully recourse to the Borrower and each and every asset of Borrower. Notwithstanding the foregoing, no recourse under or upon any obligation, covenant, or agreement contained in this Agreement, the Notes or any Loan Document shall be had against any officer, director, limited liability company manager, limited partner, member, agent or employee (solely by virtue of such capacity) of the Borrower (a "Non-Recourse Party") and no such Non-Recourse Party shall be personally liable for payment of the Loans or other amounts due in respect thereof (all such liability being expressly waived and released by each Lender and the Agents).

(b) Each Lender and each Agent hereby agrees that it will not institute against the Borrower any proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, present a petition for the winding-up or liquidation of the Borrower or seek the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for the Borrower or for all or substantially all of the assets of the Borrower prior to the date that is one year and one day (or, if longer, the applicable preference period then in effect) after the payment in full of all Obligations and any securities issued by the Borrower that refinance any of the Obligations. Additionally, the Borrower shall not be entitled to petition or take any other steps for the winding up or bankruptcy of the Borrower. In the event that, notwithstanding the provisions of this Agreement and the other Loan Documents relating to "non-petition" of the Borrower, the Borrower becomes a debtor in a bankruptcy case by the involuntary petition of any other Person, the Borrower hereby covenants to contest any such petition to the fullest extent permitted by law. The obligations under this Section 12.15(b) shall survive the termination of this Agreement and the payment of the Obligations.

Section 12.16. Confidentiality.

(a) Each of the Lenders and the Agents agrees that it shall maintain confidentiality with regard to nonpublic information concerning the Borrower, the Collateral Loans, any Obligor, the Retention Provider or the Services Provider obtained pursuant to or in connection with this Agreement or any other Loan Document; provided that the Lenders and the Agents shall not be precluded from making disclosure regarding such information: (i) to the Lenders' and Agents' counsel, accountants and other professional advisors (it being understood that the Persons to which such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential); (ii) to officers, directors, employees, examiners, agents and partners of each Lender and the Agents and their Affiliates who need to know such information in accordance with customary practices for Lenders of such type (it being understood that the Persons to which such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential); (iii) in response to a subpoena or order of a court or governmental agency or regulatory authority (including bank examiners); (iv) to any entity participating or considering participating in any credit made under this Agreement, provided that the Lenders and Agents shall require that any such entity agree in writing to be subject to this Section 12.16, however, the Lenders and Agents shall have no duty to monitor any participating entity and shall have no liability in the event that any participating entity violates this Section 12.16; (v) as required by law or legal process, GAAP or applicable regulation; (vi) as reasonably necessary in connection with the exercise of any remedy hereunder or under any other Loan Document to the extent the Person that receives such information agrees in writing to be subject to this Section 12.16; (vii) to any Rating Agency then rating the Loans, any Conduit Rating Agency or to any rating agency (or any nationally recognized statistical (or investment) rating organization) in connection with any CP Lender's compliance with Rule 17g-5 promulgated by the U.S. Securities and Exchange Commission; or (viii) to any Program Manager, Conduit Support Provider or administrator of a CP Lender or Affiliate thereof who needs to know such information (provided that each such Person referred to in this clause (viii) agrees to be bound by the terms of this confidentiality agreement). In connection with enforcing its rights pursuant to this Section 12.16, the Borrower shall be entitled to seek the equitable remedies of specific performance and injunctive relief against the Agents, any Lender or any subsequent party that agrees to be bound hereto which shall breach the confidentiality provisions of this Section 12.16.

(b) Notwithstanding any contrary agreement or understanding, the Services Provider, the Borrower, the Agents and the Lenders (and each of their respective employees, representatives or other agents) may disclose to any and all Persons the tax treatment and tax structure of the transactions contemplated by this Agreement (and, for the avoidance of doubt, only those transactions contemplated by this Agreement) and all materials of any kind (including opinions or other tax analyses) that are provided to them relating to such tax treatment and tax structure. The foregoing provision shall apply from the beginning of discussions between the parties hereto. For this purpose, the tax treatment of a transaction is the purported or claimed U.S. tax treatment of the transaction under applicable U.S. federal, state or local law, and the tax structure of a transaction is any fact that may be relevant to understanding the purported or claimed U.S. tax treatment of the transaction under applicable U.S. federal, state or local law.

Section 12.17. Special Provisions Applicable to CP Lenders

(a) Each of the parties hereto (each, a "Restricted Person") hereby covenants and agrees that it will not institute against any CP Lender, or encourage, cooperate with or join any other Person in instituting against any CP Lender, any proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, present a petition for the winding up or liquidation of any CP Lender or seek the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for any CP Lender or for all or substantially all of its assets prior to the date that is two years and a day (or, if longer, the applicable preference period then in effect) after the last day on which any Commercial Paper Notes shall have been outstanding. The provisions of this Section 12.17(a) shall survive the termination of this Agreement and the payment of the Obligations.

(b) Provided that a Restricted Person has complied with Section 12.17(a), nothing in clause (a) above shall limit the right of such Restricted Person to file any claim in or otherwise take any action with respect to any proceeding of the type described in clause (a) above that was instituted against any CP Lender by any person other than such Restricted Person.

(c) Notwithstanding anything to the contrary contained herein, the obligations of any CP Lender under this Agreement are solely the corporate obligations of such CP Lender and, in the case of obligations of any CP Lender other than Commercial Paper Notes, shall be payable at such time as funds are received by or are available to such CP Lender in excess of funds necessary to pay in full all outstanding Commercial Paper Notes or other short-term funding backing its Commercial Paper Notes and, to the extent funds are not available to pay such obligations, the claims relating thereto shall not constitute a claim against such CP Lender but shall continue to accrue. Each party hereto agrees that the payment of any claim (as defined in Section 101 of the Bankruptcy Code) of any such party shall be subordinated to the payment in full of all Commercial Paper Notes and other short-term funding backing its Commercial Paper Notes. The provisions of this Section 12.17(c) shall survive the termination of this Agreement and the payment of the Obligations.

(d) No recourse under any obligation, covenant or agreement of any CP Lender contained in this Agreement shall be had against any incorporator, stockholder, officer, director, employee or agent of such CP Lender or any agent of such CP Lender or any of their Affiliates (solely by virtue of such capacity) by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that this Agreement is solely a corporate obligation of any such CP Lender individually, and that no personal liability whatever shall attach to or be incurred by any incorporator, stockholder, officer, director, employee or agent of such CP Lender or any agent thereof or any of their Affiliates (solely by virtue of such capacity) or any of them under or by reason of any of the obligations, covenants or agreements of such CP Lender contained in this Agreement, or implied therefrom, and that any and all personal liability for breaches by any CP Lender of any of such obligations, covenants or agreements, either at common law or at equity, or by statute, rule or regulation, of every such incorporator, stockholder, officer, director, employee or agent is hereby expressly waived as a condition of and in consideration for the execution of this Agreement; provided that the foregoing shall not relieve any such Person from any liability it might otherwise have as a result of fraudulent actions taken or omissions made by them. The provisions of this Section 12.17(d) shall survive termination of this Agreement and the payment of the Obligations.

(e) Each CP Lender may act hereunder by and through its Program Manager, its administrator or its funding agent, as applicable.

(f) Each of the parties hereto waives any right to set-off and to appropriate and apply any and all deposits and any other indebtedness at any time held or owing thereby to or for the credit or the account of any CP Lender against and on account of the obligations and liabilities of such CP Lender to such party under this Agreement. The provisions of this Section 12.17(f) shall survive the termination of this Agreement and the payment of the Obligations.

(g) Notwithstanding anything to the contrary herein, each CP Lender may disclose to its respective Conduit Support Providers, any Affiliates of any such party and governmental authorities having jurisdiction over such CP Lender, Conduit Support Provider, any Affiliate of such party and any Conduit Rating Agency (including its professional advisors), the identities of (and other material information regarding) the Borrower, any other obligor on, or in respect of, a Loan made by such CP Lender, Collateral for such Loan and any of the terms and provisions of the Loan Documents that it may deem necessary or advisable.

(h) No pledge and/or collateral assignment by any CP Lender to a Conduit Support Provider of an interest in the rights of such CP Lender in any Loan made by such CP Lender and the Obligations shall constitute an assignment and/or assumption of such CP Lender's obligations under this Agreement, such obligations in all cases remaining with such CP Lender. Moreover, any such pledge and/or collateral assignment of the rights of such CP Lender shall be permitted hereunder without further action or consent and any such pledgee may foreclose on any such pledge and perfect an assignment of such interest and enforce such CP Lender's right hereunder notwithstanding anything to the contrary in this Agreement.

Section 12.18. Direction of Collateral Agent. By executing this Agreement, each Lender hereby consents to the terms of this Agreement and to the Collateral Agent's execution and delivery of this Agreement and the other Loan Documents to which it is a party, and acknowledges and agrees that the Collateral Agent shall be fully protected in relying upon the foregoing consent and direction and hereby releases the Collateral Agent and its respective officers, directors, agents, employees and shareholders, as applicable, from any liability for complying with such direction, except as a result of the bad faith, gross negligence or willful misconduct of the Collateral Agent.

Section 12.19. Borrowings/Loans Made in the Ordinary Course of Business. The Borrower and each Lender, each as to itself only, represents, warrants and covenants that each payment by the Borrower to such Lender under this Agreement will have been made (i) in payment of a debt incurred by the Borrower or a loan made by such Lender, respectively, and (ii) in the ordinary course of business or financial affairs of the Borrower and each Lender.

Section 12.20. Acknowledgement and Consent to Bail-In of EEA Financial Institutions Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any parties to any Loan Document, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, other than an Excluded Liability, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability including, without limitation, a reduction in any accrued or unpaid interest in respect of such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of any Loan Document to give effect to the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

Section 12.21. PATRIOT Act. Each Lender that is subject to the requirements of the PATRIOT Act notifies the Borrower that, pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the PATRIOT Act.

Section 12.22. Severability. If any provision of this Agreement is held to be illegal, invalid, or unenforceable under present or future laws effective during the term of this Agreement, such provision shall be fully severable and this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part of this Credit Agreement, and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from this Agreement, unless such continued effectiveness of this Agreement, as modified, would be contrary to the basic understandings and intentions of the parties as expressed herein. If any provision of this Agreement shall conflict with or be inconsistent with any provision of any of the other Loan Documents, then the terms, conditions and provisions of this Agreement shall prevail.

(d) The Borrower represents that it has not executed any other assignment of the Corporate Services Agreement or the Sale and Contribution Agreement.

(e) The Borrower agrees that this assignment is irrevocable until the Obligations have been repaid in full, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. (v) Both the Services Provider and the Seller agree not to cause the filing of a petition in bankruptcy against the Borrower for the nonpayment of the fees or other amounts payable by the Borrower to the Services Provider under the Corporate Services Agreement or to the Seller under the Sale and Contribution Agreement, as applicable, until the payment in full of all of the Obligations and the expiration of a period equal to one year and a day, or, if longer, the applicable preference period, following such payment. In the event the Document Custodian requests the consent of the Administrative Agent or Collateral Agent, as applicable, and the Document Custodian does not receive a consent (either positive or negative) from the Administrative Agent or the Collateral Agent, as applicable, within 10 Business Days of its receipt of such request, then the Administrative Agent or the Collateral Agent, as applicable, shall be deemed to have declined to consent to the relevant action.

Section 14.3. Limitation on Liability.

(a) The Document Custodian may conclusively rely on and shall be fully protected in acting upon any certificate, instrument, opinion, notice, instruction, statement, request, waiver, consent, report, letter or other document delivered to it and that in good faith it reasonably believes to be genuine and that has been signed by the proper party or parties. The Document Custodian shall not be bound to make any independent investigation into the facts or matters stated in any such notice, instruction, statement certificate, request, waiver, consent, opinion, report, receipt or other paper or document. The Document Custodian may rely conclusively on and shall be fully protected in acting upon the written instructions of the Administrative Agent or the Collateral Agent, as applicable, and no party shall have any right of action whatsoever against the Document Custodian as a result of the Document Custodian acting or (where so instructed) refraining from acting hereunder in accordance with the instructions of the Administrative Agent or the Collateral Agent. The Document Custodian may consult counsel satisfactory to it and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(b) Neither the Document Custodian nor any of its directors, officers, agents, or employees shall be liable for any error of judgment, or for any action taken or omitted to be taken by it or them as Document Custodian under or in connection with this Agreement, except for its or their own gross negligence or willful misconduct (each as determined in a final, non-appealable judgment by a court of competent jurisdiction).

(c) The Document Custodian makes no warranty or representation and shall have no responsibility (except as expressly set forth in this Agreement) as to the content, enforceability, completeness, validity, sufficiency, value, genuineness, ownership or transferability of the Related Contracts, the Collateral Loans or any other Collateral, and will not be required to and will not make any representations as to the validity or value of any of the Collateral.

(d) It is expressly agreed and acknowledged that the Document Custodian is not guaranteeing performance of or assuming any liability for the obligations of the other parties hereto or any other Loan Document. In case any reasonable question arises as to its duties hereunder, the Document Custodian may, prior to the occurrence of an Event of Default, request instructions from the Borrower or the Services Provider and may, after the occurrence of an Event of Default, request instructions from the Administrative Agent or the Collateral Agent (each on behalf of the Majority Lenders), and shall be entitled at all times to refrain from taking any action unless it has received instructions from such Persons, as applicable. The Document Custodian shall in all events have no liability, risk or cost for any action taken pursuant to and in compliance with the instruction of the Administrative Agent or the Collateral Agent. In no event shall the Document Custodian be liable for punitive, special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Document Custodian has been advised of the likelihood of such loss or damage and regardless of the form of action.

(b) The Document Custodian shall have no responsibilities or duties with respect to any Related Contract while such Related Contract is not in its possession.

Section 14.4. Document Custodian Resignation. Upon the effective date of the Document Custodian's resignation pursuant to Section 14.9, or if the Document Custodian is given written notice of an earlier termination hereof pursuant to Section 14.9, the Document Custodian shall (i) deliver all of the Related Contracts in the possession of Document Custodian to the successor Document Custodian, and (ii) be reimbursed for any costs and expenses Document Custodian shall incur in connection with the termination of its duties under this Agreement.

Section 14.5. Release of Documents.

(a) Release for Servicing. From time to time and as appropriate for the enforcement or servicing of any of the Related Contracts or the related Collateral, so long as no Event of Default then exists, the Document Custodian is hereby authorized (unless and until such authorization is revoked by the Administrative Agent), upon written receipt from the Services Provider of a request for release of documents and receipt in the form annexed hereto as Exhibit H, to release to the Services Provider within five Business Days of receipt of such request, the relevant Related Contracts set forth in such request. All documents so released to the Services Provider shall be held by the Services Provider in trust for the benefit of the Collateral Agent, on behalf of the Secured Parties in accordance with the terms of this Agreement. The Services Provider shall return to the Document Custodian the Related Contracts when the Services Provider's need therefor in connection with such enforcement or servicing no longer exists, unless the relevant Collateral shall be liquidated, in which case, the Services Provider shall deliver an additional request for release of documents to the Document Custodian and receipt certifying such liquidation from the Services Provider to the Collateral Agent and the Document Custodian, all in the form annexed hereto as Exhibit H.

(b) Limitation on Release. During the occurrence and continuance of an Event of Default, the foregoing clause (a) with respect to the release to the Services Provider of the Related Contracts by the Document Custodian upon request by the Services Provider shall be operative only to the extent that the Administrative Agent (acting at the direction of the Majority Lenders) has consented to such release. Promptly after delivery to the Document Custodian of any request for release of documents, the Services Provider shall provide notice of the same to the Administrative Agent.

(c) Release for Payment. Upon receipt by the Document Custodian of the Services Provider's request for release of documents and receipt in the form annexed hereto as Exhibit H (which certification shall include a statement to the effect that all amounts received in connection with any liquidation have been credited to the Collection Account), the Document Custodian shall promptly release the relevant Related Contracts to the Services Provider.

(d) Shipment of Related Contracts. Written instructions as to the method of shipment and shipper(s) the Document Custodian is requesting to utilize in connection with the transmission of Related Contracts in the performance of the Document Custodian's duties hereunder shall be delivered by the Borrower, the Services Provider or the Majority Lenders to the Document Custodian prior to any shipment of any Related Contracts hereunder. The Services Provider shall arrange for the provision of such services at the cost and expense of the Borrower (or, at the Document Custodian's option, the Borrower shall reimburse the Document Custodian for all reasonable and documented costs and expenses of the Document Custodian consistent with such instructions) and shall maintain such insurance against loss or damage to the Related Contracts as the Services Provider deems appropriate.

Section 14.6. Return of Related Contracts. The Services Provider may request that the Document Custodian return each Related Contract that is (a) delivered to the Document Custodian in error or (b) released from the Lien of the Collateral Agent hereunder pursuant to the terms of this Agreement, in each case by submitting to the Document Custodian and the Collateral Agent a written request in the form of Exhibit H hereto (signed by both the Borrower and the Administrative Agent) specifying the Related Contracts to be so returned and reciting that the conditions to such release have been met (and specifying the Section or Sections of this Agreement being relied upon for such release). The Document Custodian shall upon its receipt of each such request in the form of Exhibit H promptly, but in any event within five Business Days, return the Related Contracts so requested to the Services Provider.

Section 14.7. Access to Certain Documentation and Information Regarding the Related Contracts. The Document Custodian shall provide to the Majority Lenders, the Administrative Agent and the Collateral Agent access to the Related Contracts including in such cases where the Collateral Agent is required in connection with the enforcement of the rights or interests of the Secured Parties, or by applicable statutes or regulations, to review such documentation, such access being afforded at the expense of the Borrower pursuant to the this Agreement and only (a) upon two Business Days prior written request, (b) during normal business hours and (c) subject to the Document Custodian's normal security and confidentiality procedures. Without limiting the foregoing provisions of this Section 14.7, from time to time on request of the Administrative Agent, the Document Custodian shall permit certified public accountants or other auditors acceptable to the Administrative Agent (acting at the direction of the Majority Lenders) to conduct, at the expense of the Borrower, a review of the Related Contracts; provided that prior to the occurrence of an Event of Default, such review shall be conducted no more than once in any calendar year.

Section 14.8. Custodian Agent. The Document Custodian agrees that, with respect to any Related Contracts at any time or times in its possession, the Document Custodian shall be the agent of the Collateral Agent, for the benefit of the Secured Parties, for purposes of perfecting (to the extent not otherwise perfected) the Collateral Agent's security interest in the Collateral and for the purpose of ensuring that such security interest is entitled to first priority status under the UCC.

Section 14.9. Removal and Resignation.

~~Section 14.9. Removal and Resignation.~~ (a) Document Custodian may be removed, with or without cause, by the Administrative Agent by notice given in writing to the Document Custodian (the "Document Custodian Termination Notice"); provided that, notwithstanding its receipt of a Document Custodian Termination Notice, the Document Custodian shall continue to act in such capacity (and, for the avoidance of doubt, so long as it continues to act in such capacity, shall continue to receive any fees and any other amounts to which it is entitled to receive in such capacity under the terms of this Agreement and the Document Custodian Fee Letter) until a successor Document Custodian has been appointed and has agreed to act as Document Custodian hereunder.

(b) Document Custodian may resign and be discharged from its duties or obligations hereunder, not earlier than thirty (30) days after delivery to the Administrative Agent of written notice of such resignation specifying a date when such resignation shall take effect. If no successor collateral custodian has accepted appointment as the Document Custodian by the date thirty (30) days following a resigning Document Custodian's notice of resignation, the resigning Document Custodian's resignation shall nevertheless thereupon become effective, and the Collateral Agent (or its designee) shall perform the duties of the Document Custodian hereunder until such time, if any, as the Collateral Agent appoints a successor Document Custodian. Upon the effective date of such resignation, or if the Administrative Agent gives Document Custodian written notice of an earlier termination hereof, Document Custodian shall (i) be reimbursed for any costs and expenses Document Custodian shall incur in connection with the termination of its duties under this Agreement and (ii) deliver all of the Required Loan Documents in the possession of Document Custodian to the Administrative Agent or to such Person as the Administrative Agent may designate to Document Custodian in writing upon the receipt of a request in the form of Exhibit H.

For the avoidance of doubt, the Document Custodian shall be entitled to receive, as and when such amounts are payable in accordance with this Agreement, any fees accrued through the effective date of its resignation pursuant to and in accordance with this Section 14.9.

ARTICLE XV ACKNOWLEDGEMENT REGARDING ANY SUPPORTED QFCS.

Section 15.1. To the extent that this Credit Agreement provides support, through a guarantee or otherwise, for Interest Hedge Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall

Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that this Credit Agreement and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Credit Agreement that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and this Credit Agreement were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
